Ebben! ne andro lontana, from La Wally.....Alfredo Catalani

Christine Ekrem, Soprano(9)
 Marian Ross, Piano

Ebben, ne andrò lontana,
 come va l'eco della pia campana...
 là, fra la neve bianca,
 là, fra le nubi d'òr...
 laddove la speranza è rimpianto, è dolor!
 O della madre mia casa, gioconda
 la Wally ne andrà da te lontana assai,
 e forse a te non farà mai più ritorno, ne
 più la rivedrà.
 Ma fermo e il pie!
 N'andiam...chè lunga è la via.

Well then, I shall go far away
 like the echo of the pious bell...
 yonder, in the white snow,
 yonder, beneath the golden clouds...
 There, where hope is sorrow and regret!
 From the happy home of my mother
 I, Wally, am going far away
 and perhaps will never return and
 see it again.
 But determined is my foot!
 I must go...for the road is long.
