

the year was drawing quickly to a close. After again participating in the Step-singing celebration, they were honored at a Senior tea held on the lawn of their headquarters. A few days later, each girl stepped forward to receive a certificate of merit awarded her for excellent accomplishment in the field of construction at Ward Belmont and Harpeth Hall. As the builders stepped back to view their "dream" house, they were filled with a sense of pride and admiration. All of their work and effort seemed well worth their trouble, for they felt that they had completed a project which would stand as a living, symbol of their ideals and aspirations.
