

MISS MORRISON (cont)

will be moving to a new nursing home. The address is

Claiborne-Hughes
Convelescent Center
20 Strahl Street
Franklin, TN 37064

She has enjoyed the letters and cards received from W-B alumnae. Many expressed their admiration, appreciation, respect and love for her. Louise Grisham Leigh wrote, "You were a real inspiration to all of us--your courage, good humor and kindness." Ann Caroline Gillespie Mann said, "I hope you know how much you, your image, your spunk, your determination means to me." Helen Dauber Van Vlock Cooper wrote, "You are an inspiration to us."

Miss Morrison continues to look forward to her mail.

QUOTE FROM ARLENE HERSHEY, Camp Hill, PA,
"I feel as tho' it's now or never--sort of like sighting Halley's comet!"

NOTE:

In the '50's Harpeth Hall was unable to secure a W-B alumnae mailing list. The present list has been developed as you gave us names and addresses. We regret that our list still is incomplete and that the reunion mailing did not reach everyone. One alumna called after she heard about the reunion while on a ferry to Nova Scotia. Please send additional addresses and address changes to Harpeth Hall, P O Box 150207, Nashville, TN 37215.
