

The background of the entire image is a dense, wavy, light blue pattern. A thick, light blue line representing a road winds from the top right, curves around the left side, and then continues towards the bottom right. In the lower center, a signpost with a rectangular sign is positioned. The sign has a distressed, weathered appearance with the text 'THE 1951 MILESTONES' in a bold, sans-serif font. Below the signpost, there is a stylized, light blue bush or shrub with a jagged, spiky outline.

Dear Law Eddie,
 I guess that after a
 whole year you have finally
 gotten over being scared of
 me. I certainly hope so. I
 would hate to think that one of
 the finest girls I have ever
 known was afraid of me.
 Best of luck to you always.

My dearest Law,

 knowing the past two years. I

My dear Lue & Eddie,
There is neither time
nor words to express what I feel
for you, Honey. No, I didn't know you very
well last year. I just didn't know what I was
missing, I guess. You have meant so much to me, and I
could never tell you in full how much your sweet friendship
will be cherished in my heart. Continue to be a sweet,
genuine girl, and you will never lack friends - they
will come to you! May God bless you and yours always,
My love,
Norma Jean

Dear Lue & Eddie,

fun this year and I'll
never forget you -

Dearest Lue & Eddie,

The day is drawing near when we must
say our farewell words and part. I hardly know
what to say now, because I can't yet realize
that we are leaving. You have been a great
success in everything you've done here, and your
influence will count for years to come. Always
stay as sweet as you are, and your road of
life will be paved with happiness and contentment.

All my love,
Barbara Ann
