West with notable success.

Following his appearance here, Mr. Watkins will be heard at the Bowling Green music festival.

The following are recent press notices concerning Mr. Watkins:

"Mr. Watkins, in splendid vocal form, was heard in a varied selection of songs, in the delivery of which he won warm approval. His interpretations were notable for the admirable, clear enunciation and refinement of style."—*Buffalo Express*.

"Frank Arthur Watkins, tenor soloist at Westminster Church and Temple Beth Zion, will give a recital in Olean, N. Y., this month. Mr. Watkins is a singer of artistic equipment and is a favorite with concert-goers, for he brings to his work earnestness and musical feeling."—*Buffalo Courier*.

THE EARLY MORNING APPETIZER.

A novel plan has been devised by the gymnasium department whereby all the students, with the exception of the much-envied Seniors, are expected to arise at 6:30 and indulge in an early morning "appetizer" at seven o'clock. This period lasts ten minutes and substitutes for the afternoon gym classes during the warm weather. It is hoped the plan will be successful, as the students can scarcely await the appealing, awakening tones of the rising bell to summon them to the green.

TWENTIETH CENTURY CLUB PROGRAM.

The Literary Committee of the Twentieth Century Club gave a very interesting programme on Friday evening, April 13. Miss Masson, our sponsor, talked for a few minutes on "Why I Love Robert Browning." An interesting book review of "The Broad Highway" was read by Sue Moore Fullilove. A feature of the evening was a "Literary Salad": The First Book I Remember Reading, My Favorite Novel, Some Favorite Quotations. This delightful salad was served by Misses Downing, Martin and Wilson.
