

programs already kept you would know better than I where these historical items are kept.

I'm sorry that I have other plans and won't see you in Atlanta at Carolyn Smith's house. I graduated from W-B in 1950 and met you at my 50th reunion. My deceased ^{sister} graduated in 1946 and now her granddaughter, Delaney Jacobson, is in 7th grade and loves the school, Harpeth Hall. You're doing a good job.

Sincerely,
Alice Stockell Relison
