

borrowed the money and took out a life insurance policy on me. I don't believe I would have made it without Ward-Belmont's interest in me, and much encouragement. My mother attended Ward Seminary from 1894 to 1896 so I had a yearning to follow in her footsteps.

I still have close contact with Virginia Cochran Baker, who was my roommate in our senior year.

***What I remember best about my Ward-Belmont days...** I remember Miss Morrison (who also was at Ward Belmont when my mother was there.) She got very upset if any of us fell on the court and decided to give the opposing team two free shots if any of us fell!

***Where my life has taken me...**My husband was a captain with Pan American Airways. The U.S. Airforce used Pan-am pilots. After the war he received two medals. We lived in New York and Miami. After WWII we returned to Nashville due to his hearing loss. I worked for the Tennessean Newspaper for 27 years, and was the food editor for 17 years. I give Ward-Belmont all the credit for learning to write. Mrs. Souby was a great English teacher!

***What I remember best about my Ward-Belmont days...**High School: My mother went to see Miss Annie Allison in the Depression and told her that I would not be wearing stockings to school the next day—too

expensive!—socks were in order. The dress code was changed. I remember everyone lined up around the drive when President Franklin Roosevelt came to W.B. College 1938: I was chosen to do the chapel service every Wednesday. Mrs. Hay's political class stands out in my memory.

***Where my life has taken me...**Nashville (of course) Knoxville for 17 years, Columbia for 34 years. Boston and Alameda, CA during WWII.

***What I remember best about my days at Ward-Belmont...**My four years of boarding in high school at Ward-Belmont were happy years, all four of which Betty Carlisle of South Bend, Indiana, was my dear roommate and we kept our friendship throughout the years. I participated and enjoyed all the sports, excelled in none.
