***What I remember best about my Ward-Belmont days...**The days at Ward-Belmont were really wonderful times. Although it was wartime, we still had many activities to keep us occupied and busy. I remember getting up early to meet with the TOPS group for exercise before inspecting dorm rooms. This was really a "waker upper!"

My sister, Ellen, and I lived in Fidelity and the walk to the gym sometimes was cold and wet. I remember catching a bus to go downtown with leg make-up on (stockings were very hard to get during the war). I regret that many girls did not have the experience to go to Ward-Belmont, and having that influence. There were dances in the gym for soldiers!

***Where my life has taken me...**I married Buford Paschall in 1949. He died of cancer in 1977. I still live in Donelson (where I grew up) in the house that Buford and I "built." It was a grainery and we converted it into a house.

I still get together with Sue Williams (Sumner) for lunch. Sue and I started 1st grade together and graduated from Ward-Belmont and Vanderbilt together.

***What I remember most about my Ward-Belmont days...**Happy days in the music conservatory with Mr. Dalton and Dean Irwin. Libby Jones, Myrtle Durham, AJ Haworth, and Micky Marshall. Miss Morrison remembering my mother and suffering through Wednesday afternoon field hockey in awful uniforms. I remember the good food and afternoons at Candyland downtown.

***Where my life has taken me...**We music majors have had several reunions in Atlanta over the years. With my husband, we have lived in Switzerland, New York and Washington and duty at the White House with Presidents Kennedy and Johnson. We have lived in Washington, D.C. for 55 years. Our travels have taken us to Europe, Egypt, Israel, Russia, and Iran. We enjoyed 8 years of Diplomatic duty in Europe and Washington.

***What I remember best about my Ward-Belmont days...** I remember the many friendships that meant so much during my high school years. I remember Miss Annie Allison. She was a remarkable lady. I also remember the good times shared at the club house.

***Where my life has taken me...**I was married in 1949 and we moved to Wilmington, Delaware. My husband at that time was with Dupont. We made many new friends and enjoyed traveling. We returned to Nashville several years later. Nashville has been our home since that time. I was an active volunteer for many years with the Junior League of Nashville. I enjoy our 3 children and their families, especially our 6 grandchildren.

I treasure the friendships made at Ward-Belmont that have lasted a lifetime.

***What I remember best about my Ward-Belmont days...**Miss Hayes, History teacher. All of the tricks we played on her. We learned a lot, also! Tell Miss Allison: "Good Morning, Miss Allison", five days a week!

***Where my life has taken me...**Living in Nashville I see many Ward-Belmont alumnae on the tennis courts and at Vandy football and basketball games. I am now a widow, a book club member, reading to six grandchildren! Younger ones and sometimes—older ones!
