

**\*Where my life has taken me...**I graduated from the University of Kentucky, and graduate school at Radcliffe. I worked in New York; married and lived in San Francisco. I returned to Kentucky and was involved in many businesses. I recently returned as chairman of a bank. Over the years, I served in many volunteer capacities-including the Board of Trust at the University of Kentucky, The National Secretary of the Morter Board, and chapter visitor for Chi Omega. I have traveled extensively. I have a son in San Francisco and a daughter in Geneva, Switzerland.

**\* What I remember best about my Ward-Belmont days ...**It was my first long stay away from home and I remember being homesick. I did not get to go home until Christmas holidays. A girl named Carolyn took me to her home in Cookeville, TN, for Thanksgiving. I remember Berneice Dowd, Betty Lee Simms, Nell Blackburn, Ann Nicks, Beverly Harris, Hardwick Newton, Sara Jane Matthews, and Karim Tuhtar. We dressed up each night for dinner. A faculty member was the hostess at our table. The food was delicious. My favorite dessert was a fluted pecan shell filled with vanilla ice cream and topped with chocolate syrup. Yum!

**\*Where my life has taken me...**I got married right after graduating

from Marietta College in 1952. My husband Walt and I had 3 children. I taught English and Walt became a Lutheran Pastor. We both retired in 1992. We have traveled a lot in the last 25 years. In a few days we go to Belgium to celebrate the 60<sup>th</sup> anniversary of the liberation by the 3<sup>rd</sup> Armored Division. We give thanks for each new day and feel we are so lucky to still have our health and each other.
