**\*What I remember best about my days at Ward-Belmont...**

My one year at Ward-Belmont was one of the only advantages of WWII since I was sent there while my father was fighting in Europe. He returned home and then we moved to Virginia.

**\*Where my life has taken me...**

I married Earl Swensson in 1953. We lived in Virginia, Florida, and Illinois before returning to Nashville. We have two daughters and one son. They have given the family seven grandchildren. I attended Sullins College in Bristol, VA. I graduated from Florida Southern University and I have a degree in music. I sang professionally for twelve years before retiring from singing. I now spend my time supporting the performing arts.

**\*What I remember best about my days at Ward-Belmont...**

May Day was so beautiful. Miss Brooks, pulling on her girdle saying "It is pre-supposed that when you come to Ward-Belmont you act like a lady."

"Ro" our beloved. Peushoff Club, was so creative. The Ariston Club, we were so competitive. We thought we were the best in all areas of sports.

Mrs. Rasmusson's wonderful classes, Mrs. Ottarson's nick names; mine was Janie, which stuck throughout my life. I loved her shoes. The great opportunity for a country girl to make new lasting friendships.

**\*Where my life has taken me...**

I married in 1950, and had 2 children, a daughter Mari Margaret lives in Germany and my son, Jody, is an obstetrician in Nashville. I received a B.S.N. and M.S.N. degree from Vanderbilt University School of Nursing and

a Ph.D in higher education and administration from Peabody College. I taught nursing for 22 years and retired in 1993. I live alone and enjoy traveling all over the world, bridge and various other community service organizations. I was flying from Paris to Nashville on Sept. 11, 2001, and got sent to St. Johns, Newfoundland for 4 ½ days. I slept on a high school floor on an exercise mat. It was quite an experience. My gratitude for the Salvation Army is overwhelming. They took care of us.

**\*What I remember best about my Ward-Belmont days...**

I was a day student at the Preparatory School beginning the Fall of 1945. We got demerits if we wore lipstick, chewed gum or ran to class. We did have a club house where we could smoke, however.

**\*Where my life has taken me...**

When I was in Prep School I met several girls from a town in Texas by the name of Corsicana. Little did I know at the time that I would meet a boy from Texas, in fact, from the same small town whom I would marry in 1954. We moved to Corsicana in 1958 where

we raised our children. Our business is rather unique. We bake fruitcake and sell them all over the world. I have met many ladies over the years who attended Ward-Belmont.

**\*What I remember best about my days at Ward-Belmont...**

Living in the dorm with so many friends was a real treat. Going together to Acklen for dinner every night.

Those wonderful rolls! And we had to dress for dinner, which was very nice.

Meeting and making friends with the day students, they were so nice to check the boarders out on the weekends so that we could enjoy dances at Vandy and Sewanee. There were wonderful teachers such as Billie Kuyendall, Lucy Fountain, and especially Susan Souby, and the very best housemother...Mama Hay! We had so much fun in the Penta Tau Club.

**\*Where my life has taken me...**I attended the University of Alabama and graduated in 1953. I
