***What I remember best about my Ward-Belmont days...** As a junior day prep school student, skipping off campus to the sweet shop into the old Packard of Mr. Rodgers with 11 others in that huge car; playing bridge in the day student club house and Ro Wikel watching over us; and lunch in the tea hole, having peanut butter and potato chip sandwiches.

***Where my life has taken me...**My family: My deceased husband, John Burke Hardin, my three sons, John Burke Hardin, Jr., Jonathan Wenning Hardin, and William Hardin. A daughter-in-

law Kim Sumner Hardin. I have two grandchildren, John Burke Hardin III, Taylor Sumner Hardin. I lived on Cape Cod, MA., Richmond, VA., and Nashville. I traveled all over Europe, and the U.S.A.

My proudest moment is when I became a wife!

College Class of 1949

***What I remember best about my Ward-Belmont days...**I remember playing piano in the "smoker" and playing bridge during every break. I gained a lot of weight eating cream cheese and chive/olive sandwiches every night

after 9:00! How wonderful the celebration was when we finally could go on dates in cars! I will never forget the delicious meals, most especially the pecan crisps filled with ice cream and home-made chocolate sauce! When my parents enrolled me at W-B, I wanted to go to a co-ed school, but once I got there I loved it and wouldn't take anything for my years there!

***Where my life has taken me...**I married a Birmingham native, C.E. "Mike" Michaels in 1957 and have enjoyed living here ever since. Mike passed away in 1997 after a short illness from a brain tumor. I've been actively involved in civic affairs, having served on the Boards of Alabama United Cerebral Palsy, American Lung Assn., and am currently on the Board of the University of Alabama Schools of Nursing. I participate in all the phases of work at Mt. Brook Baptist Church and the Birmingham Women's Committee of 100.

***What I remember best about my Ward-Belmont days...**My fondest memories of Ward-Belmont are the true, dear, and many friends I made there. The club weekends were so much fun; Dunbar Cave and other places. One time a group of us went to The Grand Ole Opry without tickets. Minnie Pearl saw us and we went right on in! The teachers were super. Miss Morrison had the most influence on my life. The P.E. teachers were great chaperones. They went with us on the train to the Kentucky Derby. I did not like dressing every night for dinner. But I did not mind dressing up to go to town because the clerks knew us and were so helpful. I learned so much more there than I did at my 2-year University.

***Where my life has taken me...**My husband and I have traveled a good bit. So many places we went I could call a Ward-Belmont friend. I've been mostly a house-wife and I raised four children; three girls and one boy. I have 9 grandchildren that we are so proud of. I did a lot of Girl Scout work, church, Junior
