**\*What I remember best about my Ward-Belmont days...**My memories of Ward-Belmont include the wonderful friends I made, the fun we had in the club house and shopping in Nashville. Among the memories are also the traditions of the old South that prevailed at the time, the wonderful food, the Christmas shows, the sports programs that I liked so well. It was a fun experience for me and I am glad I was fortunate enough to have been able to attend the same school my mother had attended many years earlier.

**\*Where my life has taken me...**I have lived most of my life in Oklahoma. After many years in Bartlesville, OK where we spent 12 years with dear friends, we are now on a golf course in Laguna Madre, TX. We enjoy the warm winters. We have 2 children and 2 grandchildren. Besides raising my children, I spent most of my life in the horse business—training, teaching, breeding and showing palomino quarter horses.

**\*What I remember best about my days at Ward-Belmont...**Dancing around the May Pole.

The year a bunch of boarding students had an entire train car and went to the Kentucky Derby. They side tracked it, and boys came and spent the night! Some got pregnant...and all were expelled. My favorite teacher was Mary Elizabeth Cayce.

**\*Where my life has taken me...**I do a lot of traveling in Europe. I went on an African Safari. I worked at the summer Olympics in Atlanta. I am very active in the community and church...too many to mention! My class that went to Harpeth Hall all keep up with each other. We have lost a huge number.
