**\*What I remember best about my days at Ward-Belmont...** I met many wonderful girls, one of whom has been an especially good friend all through the years. I remember the excellent teachers, chemistry labs on Tuesdays and Thursdays, ballroom dancing classes, and so many other great things. It was a year (1950-1951) that I would not take anything for!

**\*Where my life has taken me...** I spent my entire life teaching school at the secondary level; most of it spent in Nashville. I have been retired for nine years.

**\*What I remember best about my Ward-Belmont days...** I loved to see the Maypole dancers on May Day.

Special teachers: Miss Kuyendall-English, "Miss Penny" Montfort-Biology.

Visiting with friends at the "club" house. Graduating from Harpeth Hall in white dresses and my favorite flowers...red roses!

**\*Where my life has taken me...** Vanderbilt University from 1952-1956. I taught 6<sup>th</sup> grade from 1967-1996, in an inner city school. Hopefully I reached and made a difference in some of my students' lives.

I have 2 sons and 3 granddaughters. I have remained in Nashville since my family moved here in 1944. Retirement is great! I love to play bridge, enjoy my garden club, active in the salvation army auxiliary, enjoy plays, church circle and have been fortunate to travel; Europe, China, Japan, Mexico, but now I just go to Florida frequently to visit a granddaughter and my son. Luckily,

one son, his wife, and granddaughter are here. Life has been good!

**\*What I remember best about my Ward-Belmont days...** I

attended W.B. as a day student/prep school. We were prohibited in the Down Under. I

will tell you that I do not believe a marathon walker could have outdone the "young ladies" in their almost ankle length pencil slim skirts.

**\*Where my life has taken me...** As a native Nashvillian, I have spent most of my life in the Orlando/Winter Park, FL area. Along the way I acquired 3 children and an almost one year old granddaughter. I am a Certified Financial Planner (CFP) and still working. Even though I still use the name Virginia Patton Slade professionally I prefer to be listed as Virginia Patton Saunders and take my husband Raymond A. Saunders' last name socially. I have my Mother's W.B. memory book and in the future will be happy to share it.
