THE Milestones

Foreword

The bell of Harpeth Hall has rung out the school year of 1953-54. With its echo have gone nine months crammed with work and play, days that to senior and freshman alike have passed all too quickly. Just as the rich tones of the bell have faded, so the events of the year have perhaps become somewhat blurred in memory. In order that these faded days may ring out more clearly in your mind, the bell with its final peal has rung in the MILESTONES of 1954. It is the sincere hope of the staff that each of you will find within these covers rich vibrations of bygone days.

DEDICATION

To Mrs. Souby, first Lady of Harpeth Hall, in whom all students find the impartial judge, the sympathetic counselor, and the warm friend necessary for their fullest development, to whom our school owes its gracious atmosphere and academic success—to Mrs. Souby, our director, who has given to us unstintingly of her physical strength and time, we dedicate with loving appreciation the MILESTONES of 1954.

CLASS PLEDGE

We will respect and obey the school's laws, and we will do our best to incite a like respect in those about us who are prone to annul them or set them at naught. We will strive unceasingly to quicken our mutual sense of duty. Thus, in all these ways, we will transmit this school, not less, but greater, better, and more beautiful than it was transmitted to us.

For the Angkor Club, the year '53-'54 proved to be a highly successful one. Each member stressed, through her participation and interest in school activities, the ideals of citizenship, scholarship, and good sportsmanship.

Many outstanding campus leaders sported the blue and white. Among these were Martha Grizzard, Student Council President; Peggy Smith, Senior Class President; and Joanne Hooper, President of the French Club. Tish Fort and Tillie McNamara served as class officers.

Scholastically, Angkor ranked high. Holding membership in the Honor Society were Sandra Ragland,

Peggy Smith, Martha Grizzard, Cornelia Faust, and Joanne Hooper. The Club boasted of Penstaff members Irene Jackson, Elizabeth Ewing, and President, Sandra Ragland. Four Angkors also represented the Club on the MILESTONES staff with Joanne Hooper serving as editor.

Angkor team work and high spirit, contributed by sports enthusiasts Ellen Russell, Carole Minton, Fran Keltner, Florence Stumb, and Ellen Wills put the blue and white on top.

Thus in every way, the Angkor Club acclaimed 1953-1954 a banner year.

The spirit and enthusiasm of each Ariston girl on the athletic field as well as in the classroom have made '53-'54 a glorious year for the gold and white.

When game time rolled around, the Ariston teams sparked by Ray Napier, Betty Caldwell, Mag Teas, Jane Lee, and Louise Davis made competition keen.

At campus elections the gold and white waved high. Katie Wray was elected Junior Class President with Ariston's Toni Wuest and Mary Knox Berger as off-

cers. Also serving their classes as officers were Lillian Campbell, Pam Parker, and Gertrude Sharp. Another campus leader who sported Ariston colors was Anne Mashburn, Secretary of the Student Council and Glee Club President.

Scholastically, the Aristons were tops with Anne Mashburn representing them in the Honor Society and Betty Caldwell holding membership in Penstaff.

Aristons, one and all, considered '53-'54 a very successful year.

The year 1953-1954 brought success and fame to the Eccowasin Club. The cooperation and enthusiasm displayed by its members won the green and white schoolwide recognition in sports, scholarship, and citizenship.

As the fall term opened, the Eccowasins stepped out in front to claim the hockey and volleyball trophies. Responsible for the club's success were outstanding athletes Jane Blackwelder, Betty Chiles, Liz Smith, and Betty Shwab. Athletic Association officers Gene Jarman, Lissa Luton, and Mary Faith Templeton proved Eccowasin's supremacy in the field of sports.

After receiving last year's scholarship and citizenship awards, the Eccowasins made a new start this year led by many outstanding campus figures. Nancy McIntosh wielded the gavel for the Freshman Class; Mary Faith Templeton was chosen Spanish Club president; and Sandra Sutherland led the Science Club. In the Honor Society Eccowasin was represented by Peggy Hill and President Mandy Simpson, while Lissa Luton, Polly Akin, and Beth Creighton held membership in Penstaff. Serving on the annual staff were Lou Cowan, Gene Jarman, Beth Creighton and Mandy Simpson.

As the year drew to a close, each Eccowasin girl hailed '53-'54 a glorious year.

Success and achievement—these were the bywords of the Triad Club for the year '53-'54. Each girl, through eager participation in all school activities, proved herself a worthy member of the red and white.

When election time rolled around this fall, the Triad girls took many honors. Anne Kirkpatrick was chosen vice-president of the Student Council, while Nancy Hardison was elected president of the Sophomore Class. Carolyn Carmichael and Peyton Cockrill represented the club as class officers.

The Triad spirit and capability was also evident in the field of sports. Catharine Browder, Jane Clark, and Nancy Gibson served on the Athletic Association

Board. The club team was spurred on by Betty Brothers, Charleen Creagh, Patsy Williams, Gardner Orr, and Harriette Husband.

In the classroom, the Triad colors were sported by honor grade students Ann Stokes, Mary Ann Braden, Camille Harrison, and Betty Stephens.

The Triad girls, through projects undertaken at Thanksgiving and Christmas, proved their willingness to lend a helping hand to the needy.

The whole-hearted enthusiasm and cooperative spirit shown by each member contributed toward making the past year a profitable one.

PENNSTAFF

The Penstaff Club, composed of those girls interested in creative writing and criticism, endeavors to stimulate and to guide each of its members in the development of her own creative talent. Members are selected from the student body through annual contests to which prospective members submit manuscripts.

Meetings, held twice each month, offer each member informative discussions as well as constructive criticism. Thus, Penstaff, working in cooperation with the English department, encourages each student to further her creative ability.

The Student Council, composed of its officers and two representatives from each class, is the governing body at Harpeth Hall. The council formulates and upholds the standards of our school, and its members

endeavor to guide the student body to a higher development of those ideals which make up a Harpeth Hall girl.

HONOR SOCIETY

The Honor Society is composed of a group of girls whose chief aims are to maintain honor grades, to promote well informed citizens capable of leadership, and

to represent the finest in individual personality development. This year the Honor Society has had the opportunity to plan the weekly devotional programs at Harpeth Hall, in which each member has participated.

Throughout the year, the presidents of the major school organizations—the social clubs, the classes, the Student Council, and the Honor Society—work with Mrs. Souby on matters relative to the student body

as a whole. It is the purpose of the Presidents' Council to stress the importance and responsibility of leadership and to promote cooperation between the students and the administrative body of Harpeth Hall.

ATHLETIC ASSOCIATION

The Athletic Association, a very active organization, provides an opportunity for each girl on the campus to take definite part in the extensive sports program. This program includes hockey, tennis, volleyball, basketball, archery, baseball, and pingpong. Letters and trophies are awarded by the association for

outstanding achievement in these activities. The major purpose of this organization is to stress the importance of good sportsmanship. A girl becomes an active member of the Athletic Association when she has received either a varsity letter or three club letters.

The Science Club, which is connected with the Science Clubs of America, is an organization formed to create among its members an interest in science. The membership consists of girls taking either chemistry,

biology, or general science. The varied activities of the club this year included a trip to the American Museum of Atomic Energy at Oak Ridge, Tennessee, as well as other field trips.

JUNIOR CLASSICAL LEAGUE

The purpose of the Junior Classical League this year has been to promote an interest in Latin itself, as well as in the history connected with it. The club's membership is made up of those girls who have had at least one full year of Latin. This group entered into

the Christmas spirit with a fine program which included the singing in Latin of familiar carols. The club itself is a part of a national organization made up of over five hundred chapters.

Throughout the year the Art Club, under the leadership of Mrs. Litkenhous, has endeavored to promote a sincere appreciation of the fine arts. The members not only have visited but also have entered their own

work in several local exhibits. In a contest sponsored by the United Nations, the Art Club claimed a third place winner in its president, Jane Blackwelder. Each girl's artistic ability is displayed at a school exhibit given in the spring for the parents of all art students.

GLEE CLUB

The Glee Club, under the able leadership of Mrs. John Breast, has added much to the musical appreciation of every student at Harpeth Hall. Inspiring programs of Thanksgiving, Christmas, and Easter

music were highlights of the Glee Club's contribution to the school this year. It has been the purpose of every member to create more interest in the enjoyment and the benefits of good music.

The French Club, through meetings held twice each month, endeavors to promote interest in the customs as well as the language of France. Because the meetings are conducted entirely in French, each girl benefits from these contacts with the spoken language. Pro-

grams composed of French songs and games were held throughout the year, and at Christmas the Club presented a play entitled "Les Deux Peres Noel." Inspired by Madame Fountain's enthusiasm, the French Club completed a very successful year.

SPANISH CLUB

During the past year, the Spanish Club, under the leadership of Miss Mims, has endeavored to promote interest in the language and customs of Spain and the Latin American Countries. Club meetings were highlighted by guest speakers, who presented programs

concerning Mexico, Guatemala, and South America. For the language department program at Christmas, the club members dramatized the famous Mexican celebration, the Posada.

Charm the "GIRL IN THE MIRROR"

NASHVILLE SCHOOL OF MODELING

Announces a new course "COMPACT VIEWS"

Offered for the First Time for Only \$25.00 for the Complete 9 part Course.

Charm for some lucky few is a blessing from nature, but charm also comes from exercising and dieting, from wearing the right clothes and saying the right thing. From learning to apply your cosmetics with skill, making down and not up. Charm can be learned just like reading, writing and arithmetic: but a lot quicker, in just nine easy lessons by going to school.

THE NASHVILLE SCHOOL OF MODELING, now in its fifth year, receives calls each day from Nashville women asking the same questions. When do I wear gloves? How should the corsage be worn and on what shoulder? How do I loose weight? What style clothing should I wear and what are my best colors? Over and over we have the same questions.

Mrs. Juanita Gullett is director of the school, and at last she has the answer to all your questions in a new training course "COMPACT VIEWS." Not all women want to be a fashion model, but every woman should want to be her very best. Now for the first time, you can have the charm, poise, self assurance, and all of the gracefulness that goes with being a model at a cost that anyone can afford. To any woman that attends classes of "COMPACT VIEWS" we guarantee you will be a healthy, lovely lady, a more efficient employee and a better home maker and mother.

You as a person, should not attempt to master the training in one week. It is given in nine classes and is studied over a period of nine weeks. You attend class one day of the week for a one hour period for the nine weeks, then spend your spare time adapting it to yourself. If you will follow this training plan for health, beauty and charm and personality development you will find yourself the person that you like, and the person that is liked by others.

To all of my many friends that I have met and talked with; on Career Day Programs, Civic and Club Groups may I say this is just what you have been asking for.

FASHION MODELS

We are expanding our business, and we need more models of all ages and all sizes. If you are good model material, we will give a guaranteed contract to employ you at \$7.50 an hour, until your training costs are completely returned and thereafter.

Training is given in just 5 weeks. You take classes three days a week, two hours each day. If YOU have wanted to be a model, but felt that the cost was too great, THIS IS YOUR OPPORTUNITY!

Call for your appointment for a personal interview with our director. No obligation, of course. Call 7-0850.

THIS ENTIRE NINE WEEK COURSE FOR ONLY \$25.00
