Dedication

This year's dedication goes to the teacher with the second longest tenure at Harpeth Hall. In twenty-three years, she has already outstayed two heads of the school and is working on the third. She first taught in Souby Hall, followed by Little Harpeth and the Little Gym (now the music room). Presently, she enjoys the luxuries of an extensive laboratory on the top floor of the Math-Science Building.

Many students best remember her for the bizarre but celebrated "Frog Day." She has buried an estimated 2000 of these amphibians and has made an equal number of medals to award to grateful yet frogged-out students.

Besides teaching biology, she has offered a Winterim pottery class and has chaperoned several trips to Great Britain. She has also led Triad through repeated victories in intramurals and other club competitions.

The most outstanding example of her support for various school activities is her presence at the Steeplechase in thirty-two-degree weather on Saturday mornings, when only parents show up for cross-country meets. After she attended countless athletic, choral, dance, and drama events, the dance clubs most appropriately dedicated their 1987 concert to her.

Her unmatched extracurricular support does not overshadow the value of her teaching. Her impeccable character and care for students complement her extensive knowledge, making her a beloved teacher at Harpeth Hall. The MILESTONES staff respectfully dedicates the 1987-88 yearbook to Miss Carolyn Felkel.

"Yum—chocolate-covered frogs!"

The theme of this year's MILESTONES, "old and new," concentrates on old traditions in conjunction with new ones. Although Harpeth Hall grew out of Ward Seminary and later Ward Belmont, the school assumed its present identity in 1951 when it took on a new name and moved to its location in Green Hills. In 1962, MILESTONES composed a commemorative book similar to this year's, but that annual compared the Civil War years to the Jet Age. By contrast, this year's annual records Harpeth Hall's history since the Jet Age. In keeping with its historical theme, it arranges activities under the rubrics of historical eras or well-known periods of time.

Knowledge of the school's history will help the students understand certain aspects of this annual. The copy therefore explains the history behind specific traditions and events. Similarly, the opening picture shows Miss Patty Chadwell, who taught both at Ward Belmont and at Harpeth Hall, and Marianne Stuart, who now attends the school for her first year as a sixth grader. The dedication also exemplifies the theme: Miss Felkel has contributed to the school for twenty-three years. The year-at-a-glance section pictorially contrasts the 1980s with the 1950s. Finally, the class picture sections each end with a photograph of the officers thirty years ago.

The 1913-14 yearbook, the first MILESTONES ever published, explained its title: "Each edition marks the 'Milestones' for that particular year and is in itself a 'milestones' in the history of the school." Through research and the use of old photographs, we choose to emphasize the latter idea and therefore present the 1988 MILESTONES with the intention of its being a milestone in Harpeth Hall's history.

Mission Possible

A suave, sophisticated man walks into the room and deftly removes the mysterious tape recorder from its hiding place. He plays the tape, receives an assignment, and then leaves the tape to self destruct, destroying all evidence of the upcoming mission, the Mission Possible.

Well O.K., maybe that is not exactly how it happened, but there was a tape. The 1987 Harpeth Hall Leadership Conference, dubbed "Mission Possible," was the eighth annual event aimed at helping school leaders to learn the duties and responsibilities of their leadership positions.

In 1980 Mrs. Anita Schmid began the tradition of the leadership retreat in order better to prepare leaders to perform their new tasks at school. Throughout its eight years of existence it has done just that. Although in its early stages the Leadership Conference focused on teaching leadership skills, later years have seen a shift toward a balanced schedule of informative discussions, individual organizational planning, and rest and relaxation for the participants.

Sub-Collegiate Sub-Sandwiches

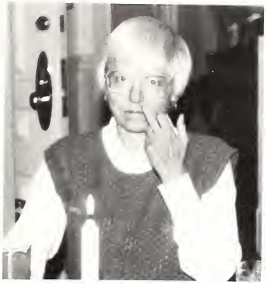

Although the Student Council has sponsored back-to-school gatherings for several years, the first official "Sub-Sandwich Party" took place in 1986. This year, on August 28, Harpeth Hall made this enjoyable event a tradition as both new and old students convened in front of Souby Hall to stuff their faces with sandwiches and watermelon, play soccer and baseball, talk about their summers, and listen to Radney Foster's new album. Most importantly, the party provided students with a chance to get to know the visiting Venezuelan girls. All in all, the Sub-Sandwich Party was quite enjoyable, and, as Dabney Ledyard, president of the Student Council, commented, "It was a great way to kick off the year."

Unlocking Doors Between Faculty And Students

"What rhymes with Des-Jardin, South Dakota or Service Merchandise?" asked a Key Club officer as she searched for that perfect word to complete the poems she planned to read at the Key Club Faculty Picnic. For the past three years, the Key Club has sponsored a faculty dinner to get the teachers in gear for the new year. The Key Club officers and Mrs. Wills prepared a delicious meal for the picnic on August 26 at Kathy Hamling's house. The old faculty met the new, caught up on summer activities, and enjoyed the entertainment the students had prepared. The Key Club organized the first picnic and volleyball match in 1985 to help integrate the large number of faculty who entered Harpeth Hall at that time.

Honor Council Promotes Integrity

Harpeth Hall created its Honor System and Council in 1982 in order to instill trust and responsibility in every student. This year, President Annis Marney succeeded in making the Council's fifth annual assembly memorable by presenting a powerful speech on individual integrity.

As in preceding assemblies, the Honor Council first distributed copies of its constitution. Secretary Jennifer Braden then administered two oaths of honor: one to the student body and one to the 1987-88 council members. Hoping to insure a full understanding of the consequences of lying, cheating, and stealing, Vice-President Annie B. Williams explained the basic hearing procedures. Annis concluded the assembly with a promise to the student body: "We can't know day to day if we are succeeding against our fears, just as you don't—so what can you depend on us for? We will keep your concerns absolutely confidential." Thus the leaders of the Honor Council sought to insure that a spirit of integrity would remain in each student's mind throughout the school year.

Holly Tackett, Kathy Falk, Kathy Hamling, Jennifer Braden, Annis Marney, Annie B. Williams, Julie Cantrell, Suzanne Armfield, Tina Adams, Mrs. Turnbull, Kate Davis, Rebecca Miller, Katherine Bomboy, Grayson Woods

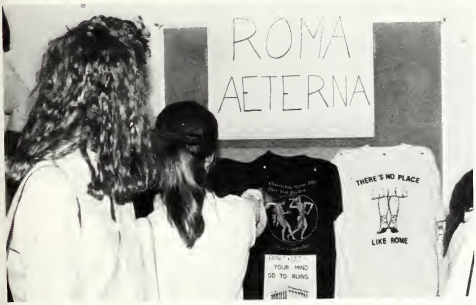

The Lair Fair

Here ye! Here ye! Come one, come all and join a club! Harpeth Hall initiated the tradition of the Club Fair last year in order that new students should understand the purpose of each of the school's many clubs. This year's fair, held in the Bear Lair on September 3, turned out to be one of the noisiest assemblies ever at Harpeth Hall. Acting under the assumption that the loudest club would recruit the most members, the officers of the organizations all tried to out-scream each other for the thirty minute period. Despite the racket, however, students successfully learned about the different clubs in which they were interested.

Decked Out To Pig Out

It's a fact! On the first Friday of each month one is sure to see the seniors looking their very best, for on this day seniors may come to school out of uniform. Arrayed in their finest attire, the seniors venture out to the many surrounding restaurants in the middle of the day to "do lunch" with their friends. In the 1983-1984 school year, Mrs. Rutter, a former assistant to the headmaster, approved the out-of-uniform privilege on request of the senior class. The following year, Mrs. Turnbull granted permission to the class of 1985 to leave campus during the lunch periods. Thus began the much appreciated senior privilege, now known as "Senior Dress Up Day."

Freshmen Romp in the Hay

Well . . . another year, another successful freshman retreat! Harpeth Hall's first freshman retreat began five years ago and has become a tradition to which all freshmen look forward. On Saturday, September 26, the freshmen and fifteen faculty members set out for Camp Cedar Crest. The weekend with a carload of teachers proved to be more exciting than the freshmen anticipated. Despite the presence of excessive dust and quite a few cobwebs, the ninth graders made it through the weekend without thinking too much about the Nashville night life they were missing. The students played field games, challenged the teachers to a volleyball tournament, performed skits, and learned the alma mater and the freshman class song. Most importantly, however, the retreat provided the freshmen with an opportunity to get to know each other as individuals and as a class.

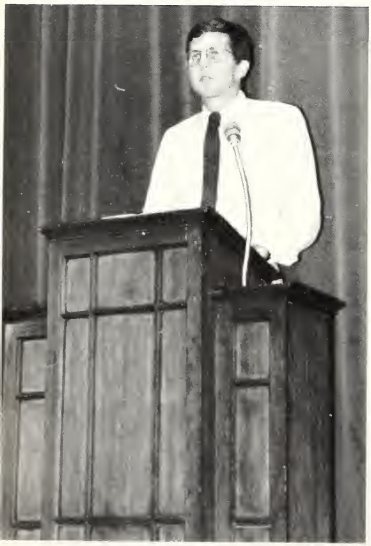

"I Take Laughter Rather Seriously."

Following a tradition that began last year with the Brown House Readers, the English Department invited Dr. Robert Drake, an English professor at the University of Tennessee Knoxville, to Harpeth Hall to read several of his short stories from his newest book, SURVIVORS AND OTHERS. Dr. Drake proved to be an excellent guest whose superb talents delighted the Harpeth Hall audience. Everyone identified with the individual characters (the Wonder Bread man), events, feelings, and especially phrases from his stories, the basis of which came from his home, a small town in West Tennessee. Dr. Drake was a wonderful speaker who broadened the horizons of the Harpeth Hall community.

This assembly and the one from last year represent the attempt of the Harpeth Hall English Department to inform students about modern American and English writers. This attempt differs from the traditions of the past English Department, noted for its reading of the MACBETH witches' speech. Under the direction of chairman Gordon Turnbull, the English Department, including new faculty members Derah Myers, Lisa Eveleigh, Margaret Renkl, Diane Shoaf, and Lisa Archer, has thus begun to take a more active part in teaching students outside of the classroom.

Ms. Myers, Mrs. Shoaf, Ms. Renkl, Ms. Yount, Mr. Turnbull, Ms. Eveleigh, Mrs. Poteet, Ms. Desjardin, Ms. Archer, Mrs. Nelson

"Are You A Senior?"

(To the tune of "Gilligan's Island")
Now sit right down and hear a tale,
A tale of our senior class,
Who on this special day wore white
And reminisced of the past.
The president, she gave a speech
And so did Jules and Dabs,
Then everyone lined up to have
Their hats put on by Kras.
They proudly wore their beanies
And were full of sentiment.
They knew the future was clear and bright;
They're proud to represent—THE CLASS OF '88.

If you saw a senior on September 21, you might think she was a refugee from that tropical island shared by Gilligan and his friends. No, they had not just left Skipper's "little buddy," but had just participated in Senior Recognition Day. In 1948, Ward-Belmont began this unusual ceremony by beaning the seniors with the traditional duck-billed baseball-like hats. This year, although the caps differed from those of the past, the students enjoyed the attention and wore their new wardrobe additions proudly.

The SFC Crackdown

Katherine Bomboy, Jennifer Braden, Dabney Ledyard, Cynthia Averbuch, Julie Riven, Christine Johnston, Marguerite Neilson, Elizabeth Smith, Julia Trabue, Kate Davis, Mr. Goodwin, Ms. Myers, Mrs. Turnbull, Mrs. Couch, Mr. Tuzenue, Mrs. Hill

Newsflash, year 1988, Smoking or drinking at Harpeth Hall? Never—not with the help of the Student/Faculty committee. In 1971, Harpeth Hall formed this organization in order to improve communication among the students, faculty, and Board of Trustees. The Student/Faculty committee consists of two sophomore representatives, three junior representatives, five senior representatives, and sponsor, Mrs. Emily Fuller. At each biweekly meeting a chosen group of teachers, the class representatives, Mrs. Fuller, and any willing students meet and discuss problems of concern to the Harpeth Hall community, such as school morale and the wearing of MBA cheerleading uniforms during school. This year President Elizabeth Smith and secretary Julia Trabue presided over the meetings. Students conveyed their suggestions through their class representatives or left anonymous notes in the suggestion box in Mrs. Lentz's office.

At the 1987-88 Leadership Conference the Student/Faculty committee also adopted the two following goals: "To instill a sense of pride in Harpeth Hall by strengthening the school's tradition for excellence;" and "To encourage mutual respect and more open communication about common concerns among students, faculty, administration, and Board of Trustees." With everyone's participation, the students and faculty hope eventually to reach these goals.

For Her, It Was Always A Love Game

During the last several years, Harpeth Hall has made a name for itself on account of the incredible tennis teams it has produced. Talented athletes have led their teams to winning several state championships. However, one cannot totally attribute the success of the tennis program to the skilled players. One special lady has played a vital role in the tennis program. On account of her many years of dedication to the tennis team, Harpeth Hall has taken countless victories. Her influence as a coach at Harpeth Hall has been apparent not only through the tennis team but also through the entire intramural and physical education programs at the school. Because of her many wonderful contributions, Harpeth Hall dedicated the new tennis courts to Ms. Patty Chadwell.

It's A Dirty Job . . .

"The water we drank tasted like dirt. The orange juice tasted like acid. There were no McDonalds anywhere." The eighth grade had to endure these conditions along with a sixteen-hour bus ride which seemed to lead nowhere. On October 4, fifty-two students set out for a three-day stay on Dauphin Island in Alabama. These students saw dolphins and marshes filled with alligators. They also spent a day walking through a waist-high swamp, which resulted in mud-covered clothes and sabotaged chaperones. Their trip concluded with a campfire, skits, and songs. Since 1985, one of the privileges of being an eighth grader has been this opportunity to take a trip. According to many students, getting to put muddy handprints all over their teachers highlighted their adventure. Overall, everyone agreed that she was sorry to leave.

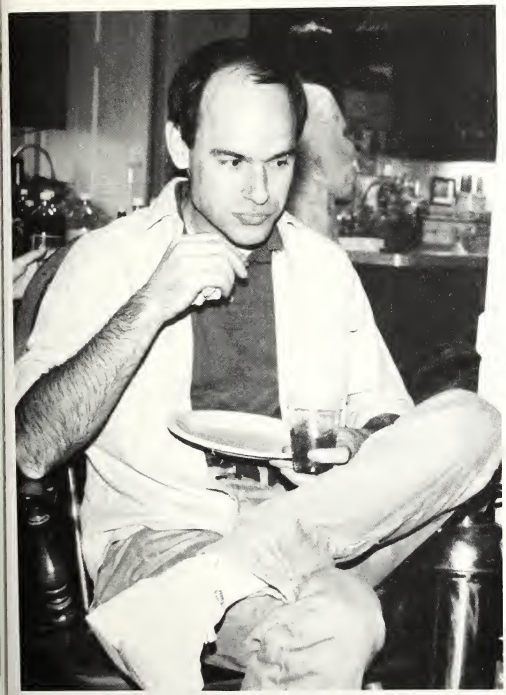

Going, Going, Gone

"Going once, going twice, sold for twenty dollars!" If you had been a fly on the wall of Davis Auditorium on October 14, you would have heard these words as auctioneer Patricia Frontain officiated the seventh annual Senior Lunch Auction. Being a fly, you would have enjoyed a variety of foods, ranging from croissants and brie to Charles Chips and Diet Coke. Some of the lunches included special touches, such as GQ magazines or "Foofar" coloring books. (Even though flies don't enjoy these things, the girls loved them!) When the fourth period bell rang at the end of the auction, the girls left with smiling faces, eagerly anticipating their lunch period. Not wanting to miss the excitement, you, as a fly, would have flown to the cafeteria and seen blissful expressions as the girls enjoyed the best lunches of the year.

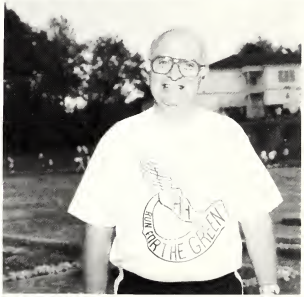

Green Acres Is

Thanks to many wonderful people, including the Harpeth Hall faculty and students, the new track and field is no longer just a far-off dream. On Sunday, October 17, Harpeth Hall's newest facility opened with the Run for the Green ceremony. Friends, alumnae, students, and staff ran for one hour, raising money in order to plant trees the razed campus badly needed. Prizes ranged from "the most laps run," going to Margaret Gross who set a world's record, to "the most pregnant" award to Mrs. Turnbull.

The Place To Be

Though raising money for trees was no problem, finding Indian graves was. At the end of last May, bulldozers nearly dozed over six Indian graves about 600-800 years old. Although Harpeth Hall had no legal problems, it did suffer some abusive criticism after moving "such sacred grounds." Presently, the track is free of graves and criticism, but luckily, not runners!

Life's rich Pageant

Mrs. Foster, Kristen Kneeland, Eleanor Jones, Katie Sergent, Jenny Walker, Carrington Nelson, Dabney Ledyard, Kelley Schmitt, Eleanor Fuqua, Clark Elam, Allyson Brooks, Katie McDougall, Shana MacKenzie

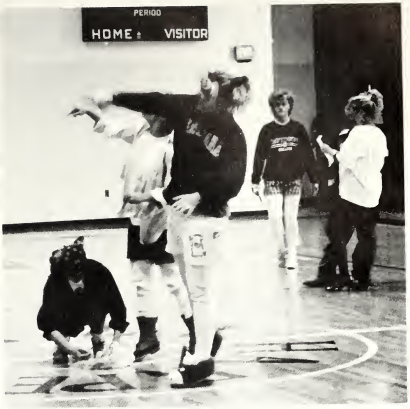

On October 24, the Student Council hosted an autumn celebration for the student body. The glittery and glamorous decor effectively displayed the theme "Life's Rich Pageant," while everyone danced to the tunes of "Rumble Circus." Even after the event, traces of it could be seen on many hands which wore the flashy, plastic souvenir rings.

This dance was just one of the many activities the Student Council sponsored this year. Under the leadership of Dabney Ledyard, Jenny Walker, Carrington Nelson, and Kelley Schmitt, the Student Council planned interesting events, dances, and surprises, such as popcorn parties in the Bear Lair. In cooperation with the Mothers' Auxiliary, they sponsored a party on December 19 and organized a spring dance as well. The student Council ran the Bear Necessities and, in addition, periodically worked at a shelter home.

Each class elects two representatives to the council who they feel best represent them. The responsibilities of these elected girls have also increased throughout past decades. Beginning in 1954, for example, they produced the first Student Council-sponsored play, ARSENIC AND OLD LACE.

Brady Bunch Grooves To Success

On October 29, the Student Council hosted the annual Halloween party in Morrison Gymnasium, along with pumpkin carving and costume extravaganzas. As the freshmen Hippies made peace, the sophomores portrayed Tammy and Jimmy Bakker and the juniors formed a cult with Brad and Janet from ROCKY HORROR PICTURE SHOW. The seniors won with their rendition of THE BRADY BUNCH SINGS THE BEACH BOYS, which included a guest appearance by history teacher Dr. Art Echerd, as Mike Brady. The juniors were triumphant in carving their fruit.

The Halloween party always brings back memories of former teachers Dr. Betty Marney and Dr. Donna Gower, whose yearly bewitching presentations of the "Toil, toil" speech from MACBETH always highlighted Halloween at Harpeth Hall. Students have moved from Shakespeare to the Sixties in their escapades. Who knows what will come next?

H

Freshmen Work As A Team

Under the direction of Coach Pat Moran, freshman volleyball has been enjoyable and successful ever since its beginning in 1976. Ms. Moran is a tradition herself at Harpeth Hall; she has coached freshman volleyball since 1980. Because the twelve talented members on this year's team came from four or five different middle schools, Ms. Moran strove hard to teach the girls to work together so that they could play as a team. Despite the members' not having played together before, the team improved throughout the season and achieved a final record of nine wins and three losses. By working through many hard practices and proving their dedication to the team, the freshmen indicated that they will make great players on the varsity team next year.

Maria Morrissey, Kathy Falk, Helena Lamb, Dotsie McLeod, Molly Crook, Anna Gray Anderson, Lisa McGehee, Jody Bainbridge, Kim Warren, Ann Baughman, Mrs. Moran, Ellen Smith, Meredith Fidler

Can We Talk?

Peer counseling? Hot cocoa? Just say no? The Harpeth Hall student associates all of these with Mrs. Liza Lentz, personal counselor. Mrs. Lentz always offers a listening ear and an open door to hear students' problems and concerns. During students' free periods, she meets with different peer counseling groups to help students with their concerns, struggles, and feelings.

In 1987 Mrs. Lentz took charge of Chemical Awareness Week in the fall. At times during the month, students received literature and had assemblies regarding chemical use and abuse. In March of this year she brought us "Good Health Tips" with assemblies on nutrition, stress management, and hygiene.

Mrs. Lentz serves as a link between the students and the faculty and administration. To open up communication, she organizes the advisor-advisee meetings in order to encourage informal teacher-student relationships. The dinner itself is a four-year old tradition; it started in the form of a student faculty dinner in which students were randomly assigned to teachers. Under the 1988 advisor-advisee system, the same group of students met with the same teacher at various times throughout the year to discuss problems and concerns.

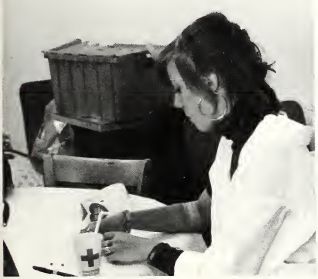

Bear Lair Revamped For Blood-Mobile

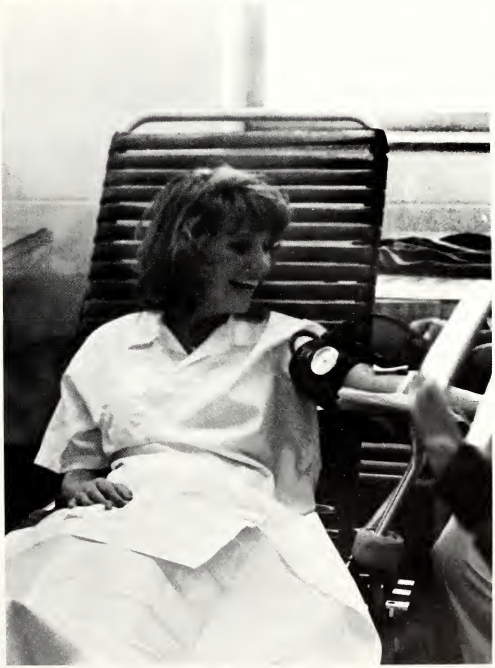

On November 6, 1987, forty-seven students and teachers offered their blood, toil, and tears to make Harpeth Hall's Third Annual Blood Drive an overwhelming success. Sponsored by the Key Club, the American Red Cross Bloodmobile set up in the Bear Lair to begin its sanguine task which resulted in the collection of twenty-six pints of blood.

Harpeth Hall not only supports the bloodmobile as an act of direct community service but also holds blood drives in order to encourage more generous and responsible behavior in those students inclined to give. Although the bloodmobile is a reality at Harpeth Hall, its value lies in the fact that each blood donor "gives the gift of life."

Miles to go Before We Sleep

The Middle School cross country team, coached by Mrs. Marie Burr, ended the year successfully. The sixteen runners participated in five scrimmages and one final meet at Brentwood Academy. The team was extremely dedicated, and the eighth graders even gave up sleeping late on their class trip to get in their daily mileage. The Middle School has had a cross country team since 1982, but this year was one of the more successful, with three major runners: Lisa Tanley, who finished second in the final meet, Ashley Brooks, and Beth Amond. As one team member put it, "Cross country was tiring, very tiring. I was relieved when the race was over, but I really enjoyed it."

Row 1: Julia McFerrin, Eileen Burkhalter, Howaida Ahmed, Jill Kasselberg. Row 2: Lisa Quillman, Julie Finch, Lisa Tanley, Brooke Brown, Jennifer McReynolds. Row 3: Mrs. Burr, Kathy Gale Estes, Beth Amond, Daphne Titur, Claudia Douglas, Jennifer Ferringer.

New Coach Sets the Standard

Row 1: Rachel Collens, Kathy Gale Estes, Tracy Robinson, Shannon Simpson. Row 2: Heather Hodde, Missy McKeand, Jean Ellen Waugh. Row 3: Lydia Lara, Collins Smith, Lee King, Laurel Duncan, Mrs. Des Jardin.

Hey all you honeybear fans, stand up and clap your hands for the middle school volleyball program, a sport the athletic department initiated seven years ago. Under the skillful direction of Lonita Des Jardin, the 1987 team achieved an impressive 6-4 record after a one-and-a-half month season. After the regular season, the team participated in the HVAC tournament, in which they placed second out of six teams. Mrs. Des Jardin commented, "For my first year, I think we did an outstanding job. We had a lot of talent." Kathy-Gale Estes and Shannon Simpson were the most valuable players, but, as Mrs. Des Jardin pointed out, "All the girls contributed to our successful season."

Bears Spike Their

Bumping and spiking their way to possibly the greatest season in Harpeth hall's history, the 1987 volleyball team proved to be one of Nashville's best. In recent years, the Harpeth Hall volleyball program has gained recognition for its close- knit teams and talented athletes. Volleyball became a varsity sport at Harpeth Hall during the mid-1950's, with teams initially consisting of only six members; slowly, the volleyball team has continued to grow.

During their 12-3 season, Harpeth Hall won the Ryan Invitational and was runner-up to Ryan at the Districts. Only in the semi-finals of the Regionals did the team meet their match, Glencliff. Leading the Honeybears through their season were Coach Georgianne Larimore and three senior members; meanwhile, eight juniors and sophomores are looking forward to another victorious season.

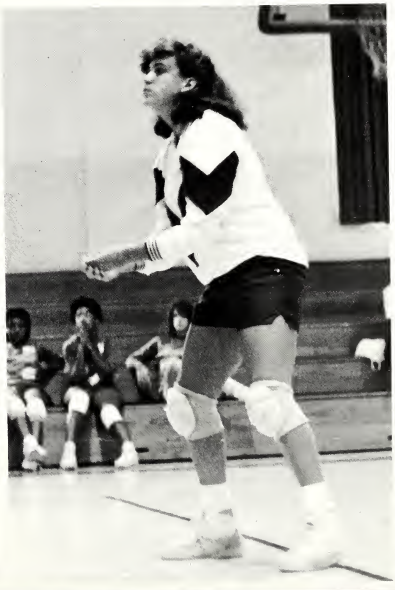

Kristin Mathes, Katie Braden, Katy Dunlop, Katherine Bomboy, Brandi Link, Suzanne Stockard, Mrs. Larimore, Angie Gore, Kelly Doyle, Megan Smithwick, Adrienne Parker, Canyn Russell

District Opponents

Even against an angry mob the bears know how to hit their balls!

Soccer Team Goes

Courtney Coker, Ellen Ozier, Wendy Elman, Jane Campbell, Marychar Creson, Holly Tackett, Marti Russ, Ashley Hodde, Clark Elam, Shawn Hodde, Marla Connelly, Harkness Harris, Alison Brooks, Lillian Roe, Lissa Smith, Anne Prosser, Sarah Morris, Katie McDougall, Anne Crook, Claire Vaughn, Bonnie Jones, Ramie Smith, Collins Weaver, Mary Ann Ozier, Mr. Turnbull

All The Way To State

"The will to win cannot be beat . . . You've got to want to win . . . Give 'em hell Honeybears." This huddle call became the trademark of the varsity soccer team. Harpeth Hall has had its soccer program for the past eight years. In 1985, Mr. Gordon Turnbull assumed the head coaching position of the team. One team member said, "Mr. T. tells us to play metaphysical soccer. I guess that's what you get when your coach is an English teacher."

Despite having to practice in Edwin Warner Park, the players and their coach have grown into a spirited, successful, and close-knit team. since the 1987 season was the final year for Mr. T. and seven dedicated seniors, everyone worked hard to achieve an outstanding 15-2 record.

Senior Bonnie Jones demonstrates the will to win.

Open A New Window;

Harpeth Hall's Playmakers is the moving force behind the drama program. Begun in 1971, Playmakers has presented plays involving students from all classes, replacing the annual class plays which began in 1954. The first of Harpeth Hall's actresses performed on the back porch of Souby Hall, but with the expansion of the physical plant and student body, the drama program has grown. Good technical facilities, drama classes, and professional directing have brought the school's theatrical productions from those "back porch" days to this year's acclaimed production of the musical MAME.

Despite the mid-production departure of Ms. Patricia Frontain, the cast and crew rallied under the direction of Ms. Stephanie Hamilton and succeeded in presenting one of the best musical productions of recent years. Starring senior Tricia Ptomey and boasting a cast of nearly sixty students, MAME highlighted the ups and downs of the lives of a free-spirited New York socialite and the nephew who comes to live with her. The cute little bunnies and toys in THE VELVETEEN RABBIT, the 1983 Middle School play, and the rodents and toads of 1982's WIND IN THE WILLOWS who sometimes forgot their lines or hit the wrong note have improved with age, growing into talented, confident, and independent-minded actresses.

"Cause I'm a woman . . . "

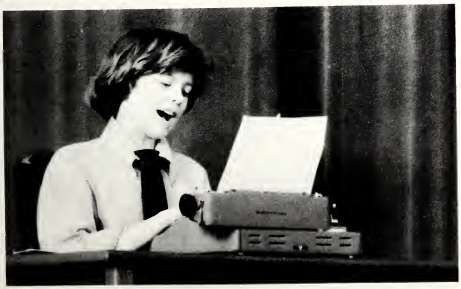

Open A New Door!

Abigail Goldberg, Ms. Frontain, Lynne Ann Hampton, Lauren Rosen, Ware Petznick

They're Wizes On The Soccer Field

Noni Nielson, Abby Pollock, Lydia Lara, Eileen Burkhalter, Michelle Haggard, Eva-Jane Rawlings, Langford Barksdale, Lisa Quillman, Jennifer Farringer, Lisa Tanley, Missy McKeand, Jean Ellen Waugh, Brooke Brown, Claudia Douglass, Collins Smith, Yoko Ichikawa, Jennifer Triplett, Kristin Triplett, and Ms. Wieczerza

What is one of the most popular, challenging and entertaining sports of all? Soccer, of course! Since its initiation eleven years ago, the middle school soccer program has been at full force. This year's team, under the direction of Coach Kathy Wieczerza, had an enjoyable and rewarding season. Although the 1987 record is not as impressive as last year's, Ms. Wieczerza feels that her soccer team actually played better as a group. Everyone worked together, and everyone felt needed.

The most exciting win in the regular season was the win over BGA. The team failed to do as well as they hoped in the tournament, but in everyone's eyes the 1987 season was a winning one.

Teatime Comes But Once A Year

The Grandmother's Tea has been a tradition at Harpeth Hall since 1977. This year's Tea took place on Monday, November 23. The Middle School Council, who sponsored the event, greeted the guests, kept a guest-book of the attendants, and served refreshments. Although many students think the tea only offers a chance for middle schoolers to wear their party dresses and to socialize, sixth, seventh, and eighth grade students prepare invitations weeks in advance to send to their grandmothers or older guests. In addition, the seventh grade provides musical entertainment. This year's guests enjoyed the atmosphere, the refreshments, and each other's company; the 1987 Grandmother's Tea was, as usual, a success.

Cross Country Team Runs

Murray Polk, Carrie Oliver, Catherine Creagh, Lauren Hagan, Katie Sergent, Susie Creagh, Carrie Smith, Suzanne Armfield, Mrs. Russ, Susie Graber, Allison Cummings, Mary Price Russell, Dede Simons, Emily Johnston, Emily Haynes, Meghan Scanlon, Heather Cameron

The last grueling hill looms out before you as each step brings you closer to the finish line, one of the many rewards cross-country running has to offer. Disregarding the popular belief that cross-country was a "male sport", Harpeth Hallers took to the field in 1975. In the following seven seasons, the school took home six state trophies. Margaret Gross won the state cross-country meet in 1975 and 1976, and

Undefeated In Regular Season

Sloan Burton captured this title in 1980.

The tradition of excellence shone again in the 1987 season, with the team' achieving an undefeated league record and winning the All-Metro and All-District meets. Mrs. Russ and her runners have undoubtedly proven that "if you can imagine it, you can achieve it; if you can dream it, you can become it."

Foreign Culture, Foreign

Amy Hendrick, Kelly Dole, Lisa Kirchner, Mr. Tuzeneu, Betsy Nichols

The international Foreign Exchange Club provides students from other countries with opportunities to study in the United States. The Foreign Exchange Club began at Harpeth Hall in 1970. This unique cultural exchange serves as a wonderful learning experience not only for the transfer student but also the Harpeth Hall community. Unfortunately, Harpeth Hall did not host an exchange student this year; however this did not diminish the spirit of the club, whose enthusiasm was evident at their fundraiser, FEC Celebration. In preparation for the night, students chose to represent countries with unique cultures. All delighted in the festive rooms of China, Italy, the United States, Japan, Sweden, England, and Jamaica. Dancing to the strains of Bob Marley and eating everything from Chinese eggrolls to good 'ole American hamburgers, everyone enjoyed themselves; thus, the club successfully raised funds to use in years to come, thanks the members, the officers, and sponsor Mr. Tuzeneu. President Betsy Nichols proved her enthusiasm for the club with the comment, "FEC was a wonderful success this year because it gave students who participated a chance to realize the diversity in our school that is not always seen."

The Ho-Ho-Holiday Dance

Have you ever been stuck the weekend after midterms with absolutely nothing to do? Well, in the past two years, the Student Council and the Mothers' Auxiliary have offered a solution to your dilemma: a Christmas Dance, something which has proved to be an exciting event at Harpeth Hall. It has given Harpeth Hall students a wonderful opportunity to get dressed up, invite a date (maybe), and join MBA in a festive Holiday Party. Teacher's Pet, this year's band, provided the perfect musical setting for some fantastic dancing. Jennifer McRedmond facetiously commented, "The fun . . . the food . . . the atmosphere . . . It was sparkling with spirit and excitement."

Big Things Come in Small Packages

On December 17, students and parents gathered in the gallery for the sixth annual Sixth Grade Chocolate, a celebration of the various holiday customs of countries in Western Europe. "I feel this event is uniquely special in that it is solely the project of the students. They do everything from planning the refreshments to writing and performing the skits," remarked Ms. Nancy Duvier, the sponsor of the occasion.

Besides researching different countries and making representative Christmas tree ornaments, this year's Sixth graders presented a dance which demonstrated the Ukranian legend of the way tinsel came to be hung. The youngest members of the school thus provided their parents and peers with an enjoyable and enlightening afternoon.

Cubs Care For

Kathy Estes, Heather Hodde, Mary Evelyn Brooks, Sarah Davis, Maria Thrailkill, Rachel Collins, Anitha Anandiah, Eva Jane Rawlings, Stephanie Cook, Jasmine Ahmadi, Julie Finch, Sarah Walton, Angela Read, Angie Vann, Beth Amond, Nancy Wright, Whitney Jones, Amanda Haslam, Linden Weismen, Shay Updhyaya, Mrs. Wills, Lanier Bond, Yoko Ichikawa

And you thought the middle school helped Nashville by raising the economic productivity! You were mistaken. This year, the four middle school clubs, Eccowasin, Ariston, Angkor, and Triad, contributed to the people and facilities of Nashville. The service-oriented clubs began in 1968, the first year of middle school. For Halloween, Eccowasin took candy to patients at Children's Hospital, and Angkor made cards for the Lake Shore Nursing Home. Triad sponsored an angel tree for the St. Patrick's Day Shelter and sold Children's Hospital cards for Christmas. Valentine's Day meant more than roses from eighth grade Romeos! Eccowasin threw a party for a needy family, and Angkor supplied the teachers with red carnations. For Easter, Ariston held a fundraiser to help the city, while Angkor visited the children at Vanderbilt Hospital. All of the clubs participated in Harris Hillman School's Friendship Fair. Thus, the middle school clubs added more than their smiles to Nashville; they added lots of hard work.

The Community

First Row: Emily Davis, Mindy Safer, Noni Nielsen, Shannon Simpson, Jean Ellen Waugh, Mari-Kate Hopper, Joelle Herr, Malena Salberg, Tracey Robinson, Karen Gilliland, Lisa Tanley, Dina Brown, Nicole Earle, Paige Puryear, Alexis Reed, Rosalind Teal, Bethany Ragsdale, Miss Reed, Deanna Adcock, Jennifer McReynolds, Beth Johnson, Carrie Chase, Laurel Duncan.

Fourth Row: Meredith Scoville, Mrs. Archer.

Behind Closed Doors: The Special Staff

Mrs. Ayers, Mrs. Armfield, Mrs. McMurray, Mrs. Robinson

Although the honeybears themselves no longer occupy the building, Souby Hall remains one of the busiest places on campus. Upstairs, one will find Jean Ayers, Harpeth Hall's Development Assistant for six years, secretary Mary Jane Armfield, who entered the "seven year club" in 1987, and Peggy McMurray, assisting in admissions for her second year. Also "on top" is Peg Herring, the school's long-time Accounting Manager. Downstairs, students find Elaine Green and Peggy Robinson, the ever-cheerful secretaries. If one were to venture into the basement, she would find Don McMahon, Plant Manager; Fred Tindell, our favorite pipe-smoker; Gary or Bill tending to the daily chores. Winterim Assistant Dot Smith, Middle School Study Hall Supervisor Nan Reed, and Administrative Assistant Sally Mabry also fill important roles on campus. The appropriately-named "Special Staff" have kept Harpeth Hall and its programs running smoothly and effectively.

Chorus Rings in the New

'Twas two weeks before Christmas
and all through the "Hall"
The chorus was performing and having
a ball.
Their work in rehearsals had finally
paid off
In an exceptional performance at which
no one could scoff.
From the sixth grade to twelfth, they
all sang their best,
And the talented orchestra left the
audience impressed.
Beloved Mrs. Ross was there, tinkling
the keys,
And Mrs. Brummett made conducting
look like a breeze.
Wrapped like a present the stage was
transformed;
In her holiday best, each girl was
adorned.
Trios, solos, duets and more,
December 10 brought songs galore.
And as it came to an end, all left
in good cheer,
Looking forward to a great holiday
and a happy new year!

Baby, Baby,

It's a Wild World

This year's fourteenth annual off-campus Winterim greatly benefited all students involved. Juniors and seniors had the opportunity to work in independent study programs, work/study programs, or academic travel programs, and all came up with interesting positions.

The Independent Study program was a popular one this year, with students participating in projects in artistic and academic fields. Perfected musical, acting, and dancing talents and increased knowledge about science and English resulted from the ninety-four minimum independent studies.

Work/Study programs also provided enriching experiences for those involved, whether in the fields of medicine, law, business, education, or media. Many Harpeth Hall girls worked with doctors and nurses in both hospitals and private practice. The judicial system taught girls about criminal and civil court cases, while many students learned through their involvement in the world of business.

The Academic Travel groups took Honeybears to political internships in Washington, D.C.; dance classes in New York; and language and history programs in Venezuela, France, and England. These latter trips provided the girls with valuable lessons about other cultures while allowing them to have fun in the process.

The Best Is

"You've come a long way, baby," from "The Slide Rule" and "Birds and Flowers of Tennessee Gardens" to "Great Tearjerkers" and "Aerobics." Fifteen years ago, Harpeth Hall offered its first Winterim; it began as a four-week break intended to allow individuals a chance to explore new areas of learning. The present program is three weeks long and more academically oriented, but still fulfills the same purpose. Freshman and sophomores stay on campus and take a variety of courses such as "The Bible as Literature," "The Bomb to Nam," "Colleges," and "Current History."

Yet To Come

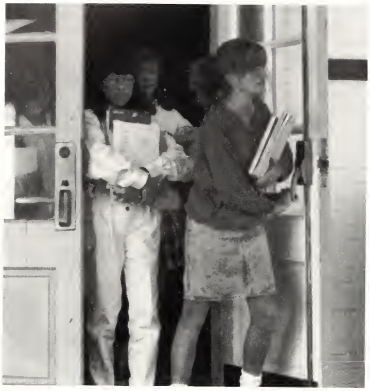

This year students also attended a variety of assemblies, including Tae Kwon Do Demonstration and Instructions, a program on the homeless, a limbo contest, and a closing slide show which outlined the Winterim experience.

In addition, a theatre group presented the play *Let's Get Basic,* followed by a discussion of teenage pressures. One student summed up the Winterim experience well: "Although many people viewed Winterim on campus as just something everyone has to go through to be able to go on trips, I think that it proved to be fun and worthwhile."

A Week in a

Do I see a Harpeth Hall student actually laughing, having fun, and relaxing in school? Interim must be in full swing, and the Middle School is letting everyone know. Interim, a break between semesters, offers no academic pressures. Through classes unlike those during the regular curriculum, Interim gives students a chance to improve their hobbies or try something new. Interim also offers students and faculty an opportunity to get to know each other. From ice skating to sewing, girls were able "to let go and hang loose" in addition to enjoying different activities such as The Famous Blue Lights Band. Interim started in 1973 and has since been a high point for sixth through eighth graders. As Naomi Limor commented, "It was a great experience in which I got to know my peers."

Winter Wonderland

This year marks a major change in Mrs. Emily Fuller's role at Harpeth Hall. Although for the past eight years she was a member of the Math Department, she now dedicates her time solely to Winterim, which she first began directing in 1973, and the Bear Patrol. Winterim is a unique opportunity for students, and Mrs. Fuller is always determined that every student receives the most from it. The Bear Patrol Clean-up Program, perhaps not as enjoyable as Winterim, has promoted a new pride in our school. The credit for the success of the two programs should certainly go to Mrs. Fuller and Mrs. Smith, who have both worked countless hours to insure success.

Into Kilts and Off to College

She knows every senior's dreams, fears, goals, and questions and has comforted the disappointed and rejoiced with the delighted. Who is she? Mrs. Susan Baughman, the college counselor (of course). In addition to compiling each student's biography, writing letters of recommendation, and advising each girl and her parents about the future, Mrs. Baughman teaches a week-long college class in the spring, sponsors a junior college trip during spring break, and, most importantly, helps the seniors on the long and rocky road to college.

A Student's first impression of Harpeth Hall is the most important one, and her meeting with Mrs. Hilrie Brown, Harpeth Hall's director of admissions, provides the crucial introduction. Mrs. Brown recruits promising students after they take their entrance tests and tells them about the benefits each girl may receive from a Harpeth Hall education. With the help of upper school students, Mrs. Brown also organizes an Open House in the fall for prospective students. Without Mrs. Brown, Harpeth Hall would have very few new faces on campus.

The Buck Stops Here

Mr. Bill Hayward: "Since coming to Harpeth Hall last year I have particulary enjoyed working with the students in the Applied Economics class. Since the fate of most Business Managers at private schools is to count money endlessly in dark, damp, dusty offices, I have had a great time participating as a member of the faculty."

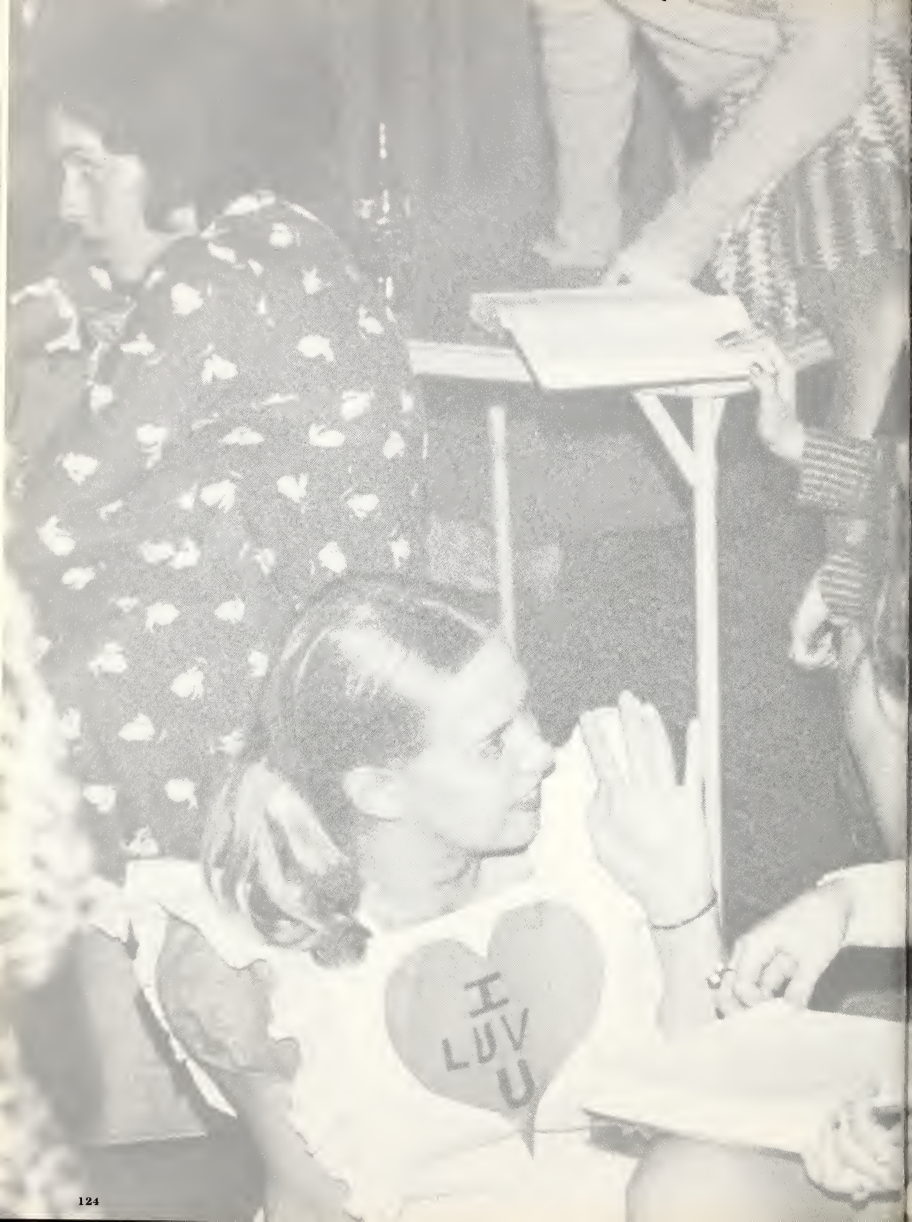

Ms. Peg Herring: "I remain in the dark, damp and dusty office while Mr. Hayward is teaching the Applied Economics class. My many years here at Harpeth Hall seem to get better and better with the passing of each year. I particularly enjoy working with various student clubs and activities. It certainly makes the day exciting."

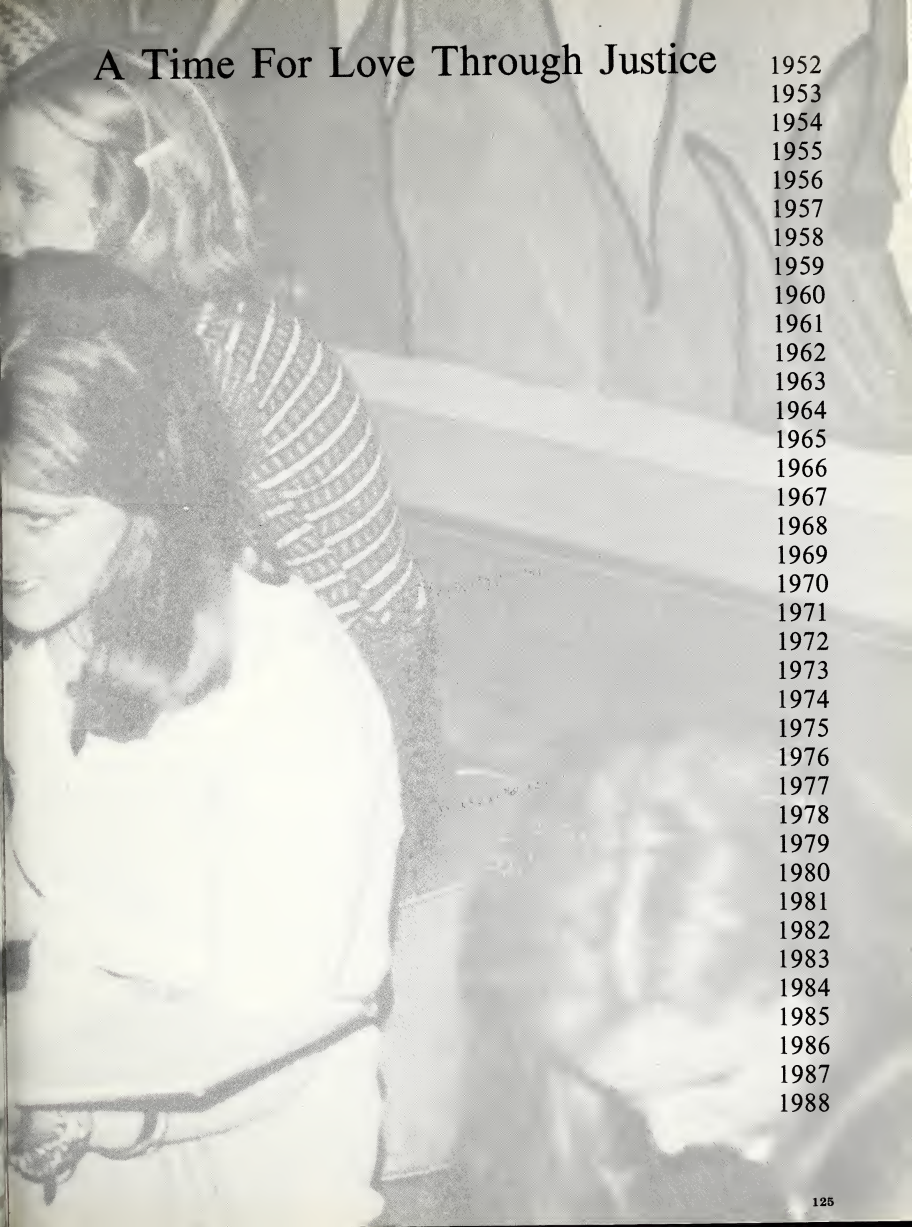

Mrs. Leigh Atkins: "As director of Alumnae Affairs, I believe the relationship between alumnae and their alma mater is mutual and requires thoughtful consideration. The school's task is to inform alumnae of its current pursuits, to create and encourage activities that bring alumnae together for reflection and enjoyment, and to recognize and utilize the many talents of its alumnae."

Mrs. Polly Nichols: "The Annual Giving Program and fund raising for capital needs and Endowment are only two of my responsibilities as head of Harpeth Hall's fund-raising program. Being Director of Development involves building not only financial support but also Harpeth Hall friendships both in the Nashville area and out of town through personal contacts, letters, and publications."

Funny Thing Happened on the Way to the Lab

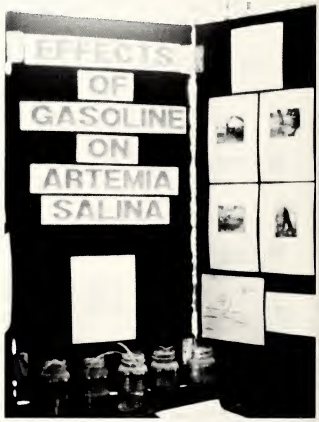

Mrs. Krasney, Mrs. Norris, Ms. Moore, Mr. Jones, Miss Felkel, Mrs. Nash

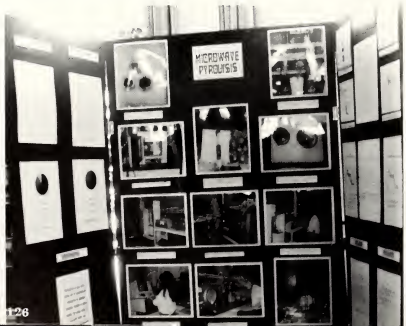

The 1987-88 school year marked the third year that the students have explored the intriguing world of science in the new math/science building. Mr. Jones, the only science teacher who does not work on the upper floor of this advanced facility, says of the science department, "It is mainly over my head."

In the early days of Harpeth Hall history, the curriculum failed to require students to study much science. Tenth graders took biology and a few selected seniors studied chemistry. Today, Harpeth Hall requires a minimum of two years of science, but many students continue with rigorous courses such as AP Biology, AP Chemistry, Physics, and AP Physics. Harpeth Hall's science program proved its strength this year in the Vanderbilt Science and Engineering Fair in which Ellen Huang, Meghan Scanlon, Heather Kirskey, and Brooke Brown placed impressively.

Allison Cummings, Jennifer McRedmond, Ramie Smith, Mrs. Norris, Abigail Goldberg

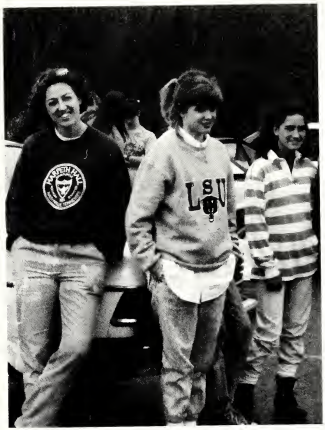

Ware's the Outing Club?

What's the most comfortable position to sit on a horse?

For the past eight years, the Outing Club (the one Kathy Jones used to be president of!) has offered Upper school students many enjoyable adventures. This year's outings included a bike trip around Radnor Lake, a horseback riding excursion at Ramblin' Breeze Ranch, followed by a caravan to a Harpeth Hall soccer game. Along with sponsor Kathy Moore, this year's enthusiastic officers were President, Ware Petznick, Vice-President, Ann-Kristin Sundell, Secretary, Karen Dismukes, and Treasurer, Traci Safer. These leaders planned activities which would give students a chance to commune with nature without having to commit an extraordinary amount of time. Many teachers, especially Mrs. Philippon-Daniel, accompanied the students on their exciting excursions.

Soldiers, Space Out!

The record player blares; the soldiers and sailors standing at attention salute; students, faculty, and parents rise in respect. Is the chairman of the board arriving? Is the President making a visit to the campus? Has Mr. Wood walked into the room? Certainly not! Such praise and respect from Harpeth Hall greets only one leader- George Washington and his wife, Martha, who have arrived in Morrison Gymnasium for the annual George Washington celebration.

One of Harpeth Hall's oldest and most unique traditions, the celebration of George Washington's birthday began with performances by the freshman class starting in 1952. In 1983, the mantle was passed to the seventh grade who now stage the annual celebration. Students use the same music, scripts, and costumes each year, making the ceremony well known to all on campus. In 1988, students continued the custom which allows them to participate in a part of Harpeth Hall's history and thus to maintain the tradition that instills the present with respect and admiration for the past.

Amy Hamilton

Kara Emerson

How To Eat

If you were never sure how to react when sent to your room, always failed when you tried to fake sleeping, or wanted to perfect your ability to brag successfully, the Middle School play, *How To Eat Like A Child,* would have been all the instruction you would have needed. With songs and jokes that displayed the true qualities of pre-adolescents, the thirty-six member cast presented the finer points of how to stay home from school and how to understand

Like A Child

your parents. In 1978, the seventh grade presented *The Velveteen Rabbit*, beginning the Middle School play tradition. With the direction of Janette Klocko, the music of Barbara Brummett and Marion Ross, and the choreography of Stephanie Hamilton, the middle schoolers provided a lesson on the I-know-what-I-want-and-how-to-get-it theory to which, as Julie Finch commented, many students "hoped their parents were paying attention."

Amanda Haslam, Shelley Carmichael, Eileen Burkhalter, Chris Hargrove, Kara Emerson, Rachel Collins, Katie Marchetti, Jennifer Ingram, Meredith Palmer, Lydia Lara, Yoko Ichikawa, Mrs. Mabry

Since 1969, the Middle School Council has organized and managed activities for the sixth through eighth grades. For instance, the council has provided opportunities for the Middle school students to get to know each other better; the council plans seventh grade orientation in order to welcome new students to the school. At this event, new students meet their eighth grade "big sisters," who bring sack lunches and give a tour of Harpeth Hall. The Middle School Council also began the traditions of the Grandmother's Tea, the Halloween Pumpkin Decoration Contest, and the Talent Show. Under the supervision of Mrs. Sally Mabry, this year's president Kara Emerson and vice president Shelley Carmichael joined nine representatives from various homerooms with the intention of insuring that there will never be a dull moment in the Middle School.

Heads

Beyond the Final Four:

First row: Heather Hodde, Linden Wiesman, Deanna Adcock. Second row: Langford Barksdale, Shelley Carmichael. Third row: Meredith Palmer, Missy McKeand, Mari-Kate Hopper, Ginna Maxwell, Mrs. Larimore, Lydia Lara, Lisa Tanley, Stephanie Smartt, Shannon Simpson

Left to right: Mindy Safer, Whitney Jones, Jasmine Ahmadi, Kathy Gale Estes, Beth Amond, Mrs. Des Jardin, (top) Melissa Hampton

Under the direction of Mrs. Pat Moran and Mrs. Georgianne Larimore and with the help of the "S-P-I-R-I-T" of the cheerleaders, the middle school basketball team had a 3-6 season. Harpeth Hall created the team in 1973 and organized the cheerleading squad in 1976. Since then, the Harpeth Hall teams have made a powerful name for themselves in the competition; under the capable leadership of players Shelley Carmichael and Lydia Lara, this year's team carried on the reputation, losing in overtime to Ensworth, the most challenging team, in the second game of the HVAC tournament.

The team found important inspiration from the sidelines: the six cheerleaders and their coach Mrs. Lonnie Des Jardin encouraged the players, whom Mrs. Moran refers to as "very promising." With such potential, the Middle School should yield a great crop of players and cheerleaders for the Upper School in years to come!

Middle School Basketball

First row: Michelle Haggard, Eileen Burkhalter, Lori Miles. Second row: Anna Ruth Brown, Erica Zepernick, Cassie Harris, Sara Brown, Lauren Marler. Third row: Rachel Reeves, Katie Marchetti, Emily Hatch, Katie Moran, Ms. O'Brien

Since 1980 when the sixth grade basketball team first began, the sixth graders have learned a lot about basketball and have honed their talents for the sport. This year's team, under coach Ms. Megan O'Brien, had a rough season. Despite high scorer Katie Moran and defensive great Laurie Miles, the Honeycubs finished a disappointing 2-5. However, by the end of the season, their hard work became visible through their remarkable improvement. Ms. O'Brien commented that a lot of team spirit added to the excitement and intensity of the season. A student added, "It was a lot of hard work, but we gave it our best."

These Bears Spell

Mr. Springman, Beth Trabue, Ellen Ozier, Shawn Hodde, Anna Gray Anderson, Mary Margaret Crowell, Jenny Walker, Claire Vaughn, Adrienne Parker, Mrs. Svaren, Anne Prosser, Courtney Coker, Mary Price Russell, Marla Connelly, Alison Brooks, Sarah Morris

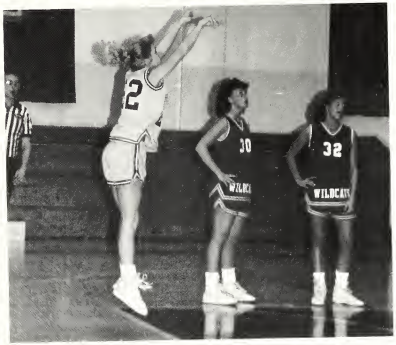

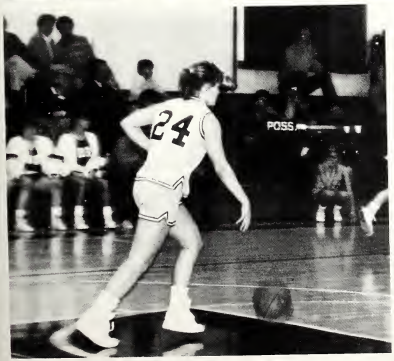

Mall "Maul"

Anyone who has ever worked really hard on a project and then received a lower grade than she expected can understand how the Honeybear basketball team led by Coach Tony Springman felt this season: frustrated. The first TSSAA team at Harpeth Hall in 1972 felt the same way. Despite all of their hard work, they could never seem to win. The Harpeth Hall basketball program began as club competition, from which the best athletes from each club formed the first school basketball team. The team's first game took place at St. Cecilia against St. Cecilia; afterwards, the Bears began to compete with other schools on Saturday mornings. Although every season cannot be successful, the Honeybears have always learned from their experiences and use their knowledge to improve future teams.

Barefoot and Busy

Despite her varied roles, Mrs. Turnbull stands for one thing — Harpeth Hall's past tradition of integrity and respect.

Coming to the school following her college graduation in 1984, she rose from computer teacher to teaching AP American History, to the headmaster's assistant, and finally to director of the Upper School.

In 1984 the school experienced a year without an administrator specifically serving the needs of Upper School students. In filling that void, Mrs. Turnbull is known both as a strict disciplinarian and an ardent student advocate. Although Harpeth Hall is losing Mrs. Turnbull to her new role as mother and minister's wife, the school reflects on its good fortune to have been her home for the past five years.

1988 marked the third year Harpeth Hall has participated in the Mock Trial Competition. This year, Harpeth Hall entered two strong teams in the competitive quest for the state championship. Judge Ben Cantrell, Rose Cantrell, George Dean, Jean Crowe, and John Bailey each contributed a great amount of time and expertise to coach the talented and enthusiastic students. All of the participants worked for several months preparing the civil court case for the March 25 competition. Meanwhile, each girl discovered much about the duty of a lawyer and about the entire court system. Although the coaches and participants "objected" to the unjust scoring system, Harpeth Hall proudly received third place in the fierce competition.

These are the Times that Try Men's Souls

Mr. Hayward, Dr. Echerd, Mrs. Duvier, Miss Wynne, Mrs. Turnbull, Dr. Cooper, Mr. Springman

"Nothing can be understood in a historical vacuum," declares History Department Chairman, Dr. Echerd, and Harpeth Hall agrees. The History Department expanded its curriculum by adding three new courses. Economics, Comparative Politics, and Introduction to Political Systems were offered for the first time, and Dr. Cooper, Mr. Springman, and Mr. Hayward joined the history faculty. Truly, Harpeth Hall has eliminated the Historical Hoover (get it — vacuum) from its original course load.

Although classroom study has always been a vital part of Harpeth Hall, active participation in current events is relatively new. Twenty-seven students, under the advisement of Dr. Echerd, served as delegates from Angola, Spain, Turkey, and Kuwait in Nashville's Model United Nations this year. At the convention, students discussed potential solutions to world problems. Harpeth Hall found new ways to supplement classroom study by offering the Model United Nations program, Youth Legislature, and visits to the polls during the election year.

Poetry, Prose . . . Penstaff

Cropping. Layouts. Typing. Editing. All these tasks are a small part of what goes into Harpeth Hall's publications: *Hallmarks, Logos II,* and *Milestones.*

Penstaff, a creative writing organization, still functions as it did fifty years ago: girls meet twice a month to share their own writing and receive suggestions. Penstaff members also vote on possible submissions for the school's literary magazine: *Hallmarks.* The girls compile an exceptional publication which includes poetry, prose, photography, and art.

The *Milestones* staff spends its Friday afternoons cropping pictures, brainstorming about heads, and cramming for deadlines to create a memorable yearbook. *Milestones,* begun in 1914, is distributed during the summer and serves as a memento of the year's events. Administrative editor Annis Marney remarks, "Yearbook distribution means much more to those who get to see their own input in the book."

The staff of *Logos II,* aided by a new computer system, turned out five excellent issues this year; special features included a music and entertainment section, a "Yo Alex" column, a special student in the spotlight, and numerous editorials regarding current issues. *Logos II* first appeared in 1971 under the direction of Connie Couch, daughter of Marion Couch, Harpeth Hall's Spanish teacher.

Les Jeunes Francaises

C'est chouette! C'est chic! C'est fou! It's the French Club! Both Upper and Middle School branches this year increased the cultural knowledge of their members with trips to French films at Sarratt and F.E.C. celebrations. Some students participated in the Journee Francaise, where they received awards in third through fifth level conversational French and in song competition.

Since it began in 1954, the French Club has served as an outlet for those who wish to apply what they have learned in the classroom. This year's president Collins Weaver, in the spirit of Tour de France, rode a ten-speed bicycle through the halls of Wallace Wing during F.E.C. celebrations. (Collins is planning to enter the Tour de France next year because she feels that her training has been sufficient.)

Mr. Lauderdale, Tracey Robinson, Jill Kasselberg, Mindy Safer, Heather Kirksey, Heather Deaton

Collins Weaver, Mary Ann Ozier, Edith Trost, Mrs. Philippon-Daniel

Hola Senora!

Allison Smith, Stacey Larkin, Mrs. Couch, Paige Simpkins

The Spanish Club, under the leadership of Paige Simpkins, completed its thirty-fifth successful year. In addition to organizing an enjoyable taco party, the club sponsored a pinata bust, which provided candy for all its greedy participants. The entire club ate out at several Spanish restaurants for dinner and saw the movie CARMEN after school. Many visitors from Spanish-speaking countries spoke to the Spanish club throughout the year during students' study halls. The club also sponsored a duds day.This year, the enthusiasm and participation in the club soared, and the activities which the club offered attracted and unified the Spanish scholars at Harpeth Hall. One member expressed her spirited support of the club with the comment, "The Spanish club is as hot as salsa!"

A Rose By Any

Other Name

Since 1981, fathers and daughters have met for a traditional spring banquet which began at Mr. Wood's suggestion. Clyde Lee, an All-American basketball player from Vanderbilt, spoke at the first banquet at the Opryland Hotel. Since then, the banquet has travelled to the Vanderbilt Plaza Hotel and then to the General Jackson, with the number of guests increasing every year. This year's event, held at the Nashville Convention Center, presented Dr. Don H. Doyle, a Vanderbilt professor and Harpeth Hall father, as the speaker. Dr. Doyle spoke about his role as the father of daughters and about the evolution of women's place in society. The Chorus' presentation of a medley, "A Rose by Any Other Name," also provided enjoyable entertainment. "This was my seventh banquet—I'm going to miss this evening out with my dad," commented senior Beth Blaufuss.

Life's a Beach

The annual Spring Dance is an event to which students have looked forward ever since the tradition began in 1983. The members of the Student Council worked frantically to transform Morrison Gymnasium into a surfer's paradise. In the end, their hard work paid off, and Hawaiian Holiday was a huge success. Students dragged out their beach attire on the chilly night of March 5 to start the countdown until Spring Break and to get into the spirit of summer. The music from the hippin' band The Big Band added to the festivities. Student Council President Dabney Ledyard summed up the exciting evening, saying, "We certainly gave a new meaning to the phrase 'Life's a Beach' at Hawaiian Holiday!"

Ladies of the Hall

Behind closed doors, the real action takes place!

Mrs. Green: "On my duties at Harpeth Hall: they are a melange of activities. Let me say, 'I'm Jack of all trades and master of none.' The most rewarding part of my job has been the contact I have with you girls. I've loved every day at Harpeth Hall and feel very sad that I must leave due to my husband's illness."

Mrs. Ayers: "As Development Assistant, I assist the Director in all areas of fund raising and development. I maintain all gift records and records of alumnae, trustees, parents, students, friends, faculty, and staff, which are compiled and edited by the use of a computer. This comprehensive system is designed to improve the effectiveness and control of Harpeth Hall's fund-raising activities."

Mrs. Armfield: "Mrs. Nichols still prefers the 'personal touch' in this impersonal computer age, so I assist her in acknowledging by hand the donations and memorials given to the School. As assistant in the Development Office I send out reminder notices to donors giving to the Capital Campaign and help with special events. I love my job at Harpeth Hall."

Mrs. McMurray: "As an alum (I was a member of the class of '69), I am thrilled to be back after many years to see first-hand what a changed and exciting place Harpeth Hall is today. As for my job, I work as assistant to Hilrie Brown, the director of admissions, and for Leigh Atkins, the Director of Alumnae."

Mrs. Robinson: "Greet and Meet — that is my primary job. It includes talking on the phone, counting days absent, keeping up with 'pink slips', making lists, playing 'postman', and answering the ever-asked question, 'Where is ?' Harpeth Hall is a beautiful place and I will miss the friends I have made over the last four years."

Head 'em Up,

This year the Harpeth Hall Round-Up was held on April 9 in Morrison Gym. Unlike the first Round-up in 1985, which featured a country supper and a dance with the White Animals, this year's consisted of a dinner and auction the night before the dance. Rub the Buddha opened for the popular John Jackson and the Rhythm Rockers at the dance. After selling a record number of tickets, the Upper and Middle School students enjoyed the evening, saying they had such a good time that they couldn't wait till next year's Round-Up. The students felt that the "decorations and the band were original and fun." The Mother's Auxiliary put a lot of hard work into the entire weekend and raised lots of money for the school, which will create quite a task for next year's Mother's Auxiliary to match.

Move 'em Out

"Shall I Ask You

On April 15, 16 and 17, the Harpeth Hall Playmakers presented *Pride and Prejudice,* the Jane Austen comedy, directed by Janette Klocko. The play featured Julie Cantrell as Elizabeth, Beth Blaufuss as Mrs. Bennett, Robyn Growdon as Lydia, Sarah Ruccio as Jane, and Jessica Gutow as Lady Catherine de Bourgh. Several MBA actors, including Matt Bumstead, Richard Speight, Jay Riven, and Tom Benning, also enhanced the performance.

Again, Again?"

The acting was superb, yet the play did more than simply showcase the individual talents of the actors. As one cast member says, "It seems like this year, more so than in the past, we as a cast grew close. After spending three to seven hours a night together, you cannot help but become friends." In addition to the actors, appreciation goes to the crew for a technical job well done. Thanks for a great performance.

Concert on the Rug?

Under the master planning of former Student Council President Andrea Carter, "Concert on the Lawn" originated in 1986 after the Student Council decided to organize an indoor activity on a larger scale than a picnic.

Everyone agreed this year's band, "The Distortion Hawgs", was a good choice for late afternoon entertainment because the band members were seniors, many students came to see them, and the audience responded to the music with enthusiasm. Richard Speight, lead singer for the "Hawgs," and Ben Tate, guitarist, summed up the event: "Our manner of taking peoples' favorite tunes and mangling them beyond recognition was well received, resulting in what we considered to be a successful 'Concert on the Rug!'"

P.E.—Better Than Power Source

Mrs. Matthews, Mrs. Russ, Mrs. Hamilton, Mrs. Moran.

The PE department is an essential element in the Harpeth Hall faculty. Headed by Mrs. Pat Moran, this department successfully rounds out the "Harpeth Hall experience." Learning proper techniques in various unusual sports provides an opportunity for girls to develop athletic skills. As Mrs. Moran says, "The PE department's purpose is to educate the girls physically as well as mentally and try to offer things that they can use in later life. A girl won't be playing basketball when she is 40, but she can be playing tennis, golf, or bowling."

Another facet of the PE Department is the intramural activities. The intramurals provide exciting competition between the clubs. Mrs. Moran says, "the intramural program is offered for girls who want to compete athletically, but not on a school team."

Ariston

Jessica Gutow: "The goal of the clubs is to increase participation in intramural sports and to assimilate girls into the entire student body at Harpeth Hall. Ariston wants to reinstate the clubs as they were at Ward-Belmont and began this transition by electing a president this year and unifying club members through All Club Picnic."

Angkor

Kelley Schmitt: "I think our clubs offer outlets for those who are not involved in varsity sports to participate in some sort of team activity. The different sports offer an opportunity to learn the rules of the game while also enjoying other's competitiveness and friendship."

Eccowasin

Karen Greer: "I'll never forget how excited I was when I became an Eccowasin in the seventh grade. Now, as president, being in charge of intramurals and the club song has been a great challenge. I've enjoyed working with other people, and I hope the clubs become an even stronger part of Harpeth Hall's activities."

Triad

Catherine Mayes: "Last year Triad won four out of the five intramurals and the club song contest, but things have changed this year. Participation has dropped and left the club with only five active students. Mrs. Moran and I have discussed the participation, but we have not been able to make students involve themselves."

There Are Other

The lights were cool, the band was hot — the makings of a perfect evening: Prom 1988, given by the Juniors in honor of the Senior class, was about to begin. The theme, "Underwater Fantasy," was effectively displayed by sixty live goldfish. The band, the "Generics," played such classics as "Brown-eyed Girl" and "Sultans of Swing." The prom court, led by Queen Kathy Hamling, included Leigh Fitts (freshman), Sarah Roberts (sophomore), Jennifer Lindahl (junior), and Dana Thomas and Sarah Morris, (Seniors).

Berry Bryan, senior, appreciatively said: "It was the best prom ever — the best I've ever been to!"

Fish in the Sea

Mr. Flash Photo captures the moment

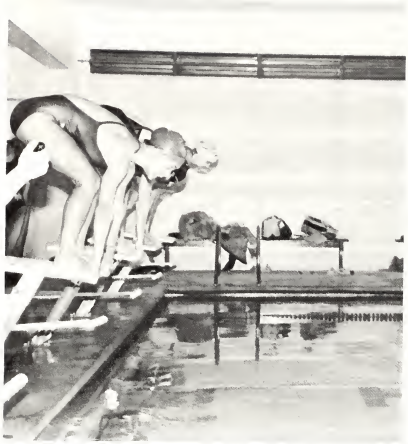

Bearacudas Bare

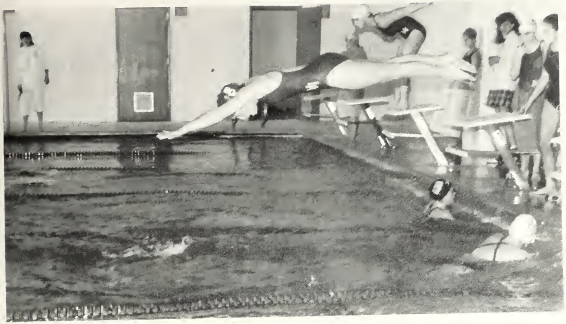

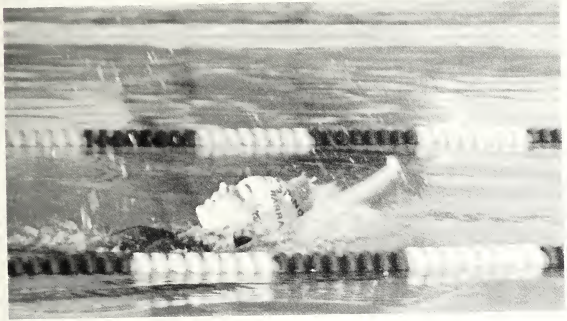

Row 1: Lauren Rosen, Meghan Smithwick, Kelly Doyle, Katherine Bomboy, Dotsie McLeod, Kari Merz.
Row 2: Miss Moore, Shawn Coker, Lilian Roe, Courtney Williams, Sarah Diehl, Virginia Kelley.
Row 3: Christi Dickson, Bonnie Jones, Missy Williams, Allison Cummings, Ann-Kristin Sundell, Hayden Harris, Annis Marney.
Row 4: Anjali Upadhyaya, Kelly Lowen, Maria Carroll, Sarah Roberts, Lanie Petrie.

Their Teeth

"Swimmers, take your mark!" cried the judges, and the Harpeth Hall Bearacudas kicked their way to success. Surprised? Harpeth Hall completed its spectrum of athletic teams by adding its first swim team this year. Under the experienced fin of Ms. Moore, the twenty-three Bearacudas participated in six local meets.

Later, sweat mixed with water in preparation for the state championship, where they placed fifth — hardly a dry season for a fledgling team. Nashville Aquatic Club swimmers, seniors Allison Cummings and Missy Williams and freshmen Lanie Petrie and Anjali Upadhyaya, placed in the finals, and Missy Williams won the state title in the 500-meter freestyle race. The Bearacudas certainly did not leave Harpeth Hall high and dry — their successful season is only a drop in the bucket!

Aren't They the Quiet Ones?!?

Fifteen years ago Harpeth Hall applied for and was granted a charter which allowed the school to set up the Cum Laude Society. The Cum Laude Society is modeled after the collegiate honor society, Phi Beta Kappa. Each year the top ten percent of the junior class and the second ten percent of the senior class are inducted into the prestigious group. Ms. Fessey presented certificates to seniors Becky Bond, Berry Bryan, Joanna Crowe, Kristin Dietrich, Lynn Anne Hampton, Jennifer McRedmond, Melanie Po, and Annie B. Williams. The new junior members were Suzanne Armfield, Susan Chang, Marla Connelly, Carrington Nelson, Carolyn Palmer, Adrienne Parker, Sarah Ruccio, and Sally Sprouse. Following an explanation of the Cum Laude Society by Julie Cantrell, president of the chapter, Mrs. Oxley spoke about the academic life and pursuit of excellence at Harpeth Hall. She urged each student to reach her utmost potential through organization, dedication, and determination.

Carolyn Palmer, Kristin Dietrich, Annie B. Williams, Ramie Smith, Adrienne Parker, Beth Blaufuss, Miss Fessey, Annis Marney, Sally Sprouse, Marla Connelly, Suzanne Armfield, Lynn Hampton, Allison Cummings, Jennifer McRedmond, Dr. Echerd, Susan Chang, Sarah Ruccio, Melanie Po, Mary Bryan, Julie Cantrell, Carrington Nelson, Joanna Crowe, Mrs. Oxley.

Dedicated to the Ones We Love

Since 1981, the Harpeth Hall Men's Club has demonstrated the school's appreciation of its faculty and staff through the annual Faculty Recognition Assembly. The Men's Club honors dedicated teachers and administrators with a Harpeth Hall chair.

This February, the Men's Club commended eight members of the Harpeth Hall community. The ceremony honored Mrs. Green and Mrs. Robinson for their combined nine years of running Souby Hall. Mrs. Manier received a chair for her twenty years of improving the library. The Men's Club noted Mrs. Burr's six year dedication to teaching middle school math. Mr. Wood recognized the Turnbulls for their five years of enthusiasm at Harpeth Hall. Alec Turnbull, Jr. received a rocking chair modeled after the traditional chair. Mrs. Krasney did not leave Harpeth Hall without special acknowledgement of her three years here. Miss Felkel, the final recipient, began teaching biology at Harpeth Hall in 1965. "Everything you say sounds corny," she said, "but it was a real honor."

There is a Cure for Monolingualism

Bottom Row: Ms. Foster, Mrs. Ward, Mrs. Couch, Ms. Philippon-Daniel; Top Row: Mr. Farrand, Mr. Lauderdale, Mr. Tuzeneu

The foreign language department has always played an important role in the Harpeth Hall community. Requiring that each student complete the second level of Latin, French or Spanish and offering courses up to the A.P. Level help the foreign language department in its mission: to cure monolingualism. This year, for the first time ever, students from every language competed in state conventions in addition to the written national exams given each spring. After instruction under some of the best language teachers in the city, students placed first in conversational French and Spanish and Latin students won their division at the infamous Latin Convention. At Dessert Fest in early spring members of the language clubs under the direction of FEC prepared desserts from eight different countries, giving students a "taste" of many different foreign cultures. The language department in conjunction with FEC helps to create a cosmopolitan outlook for Harpeth Hall students.

More Than an Imitation

Ms. Myers, Mrs. Brummett, Mrs. Atkins, Mrs. Hamilton, Mr. Goodwin, Ms. Frontain, Ms. Matthews, Ms. O'Brien

Harpeth Hall has been known for its challenging and varied curriculum as well as its qualified faculty. The Fine Arts Department is no exception, offering music instruction through Mrs. Brummett's chorus and AP music classes, drama through Mrs. Klocko's courses, and art through Mrs. Myer's art history lectures and Mr. Goodwin's and Ms. O'Brien's photography and art courses.

The Art Club promotes an appreciation for art through Saturday morning sketchings and visits to exhibitions around town. In the spring the Art Club helps to coordinate the Student Art Show, a ten-year tradition begun with MBA and Composition Red and Green. The impressive exhibition is a culmination of a year's hard work; it displays a variety of talent through paintings, drawings, sculpture, and photography. One sophomore observes, "With the increasing of classes to five days a week, I can really notice a marked improvement in the students' talent."

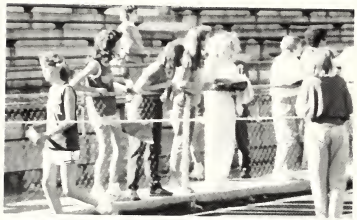

Lyn Robinson, Berry Bryan, Jennifer Braden

Track Team Hosts HVAC Finals

The Middle School Track team has always provided tough competition to other schools ever since their first team in 1977. Coached by Mr. Wert, the team worked very hard this year and were victorious over Brentwood Middle School and Franklin Road Academy. The year concluded with the HVAC Finals at Harpeth Hall which was, according to Mr. Wert, very fortunate because the support and help was great. Lisa Tanley, an eighth grader, came in first place in the mile run. As one student put it, "All the hard work really pays off in the end when you realize how much you have accomplished."

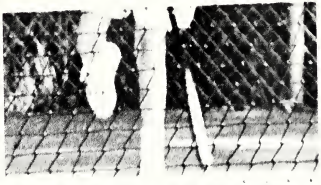

Shay Upadhyaya, Rosalind Teal, Heather Draton, Beth Johnson, Missy McKeand, Shawn Simpson, Collins Smith, Kathy Gale Estes, Ginna Maxwell, Heather Hodde, Jennifer Farringer, Lydia Lara, Laurie Duncan, Mindy Safer, Jean Ellen Waugh.

Cubs Win Tennis HVAC Championship

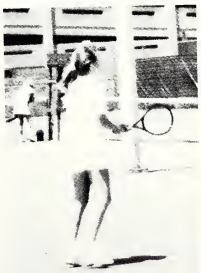

Kathy Estes, Brooke Brown, Joelle Herr, Mindy Safer, Shelley Carmichael, Kassy Harris, Deena Raja, Kiersten Martin, Stephanie Smartt, Heather Deaton, Nan Reed, Langford Barksdale

In its sixteenth season of existence, the middle school tennis team enjoyed a successful season, remaining undefeated in the regular season, winning the HVAC Championship, and finishing the season with an 8-1 overall record. Congratulations Honeybears on a job well done! All the girls contributed to the team with their various talents, hard work, determination, and enthusiasm. Deena Raja and Lori Miles were honored for their outstanding ability with the Most Valuable Player and Most Improved Awards, respectively. Miss Nan Reed enjoyed coaching the rising stars. She remarks, "Harpeth Hall has always been blessed with good tennis players who have gone on to do well and be valuable to the Upper School program. Having fine players makes coaching them easy!"

Caput Latinus

Preservation of Latin language, which dates back almost three thousand years, is by far the longest running tradition practiced at Harpeth Hall. The Junior Classical League maintains the torch of classical knowledge through the advocacy of fine fashion (togae), fine entertainment (local, state, and national conventions), and fine cinema (I, Claudius), while the Latin Department instructs students in levels one through five in the finer points of Latin grammar and literature. By their third year of Latin, students are reputed to be quick enough to translate the copywright date of a movie before it rolls off the screen. So, the next time you sing the ALMA MATER or spell the plural of fungus, thank a classicist.

Mr. Farrand, Becky Bond, Kelly Doyle, Kiley Fleming, Emily Haynes

Beth Amond, Missy McKeand, Nancy Wright, Mari-Kate Hopper, Karen Gilliland

Party with Pythagoras

Since 1976 the Harpeth Hall Math Department has sponsored a chapter of Mu Alpha Theta, an honor society composed of students with a combined average above 90 from three years of Upper School math. This year, Mu Alpha Theta sponsored a city-wide math contest, continued a system of tutors in the Mu Alpha Theta room, introduced the first "Moo" Alpha Theta T-shirt featuring the club's mascot, the Pythagorean Cow, and even created their own cheer: "eX, Dx, dy, eX, dy; cosine, secant, tangent, sine, 3.14159, Goooo Bears!" Members of Mu Alpha Theta and other students attended the Vanderbilt Math Contest, where six people placed.

The six-member Math Department, under the leadership of chairwoman Carol Oxley, includes two new teachers: Mr. Tad Wert and Mrs. Laura Svaren.

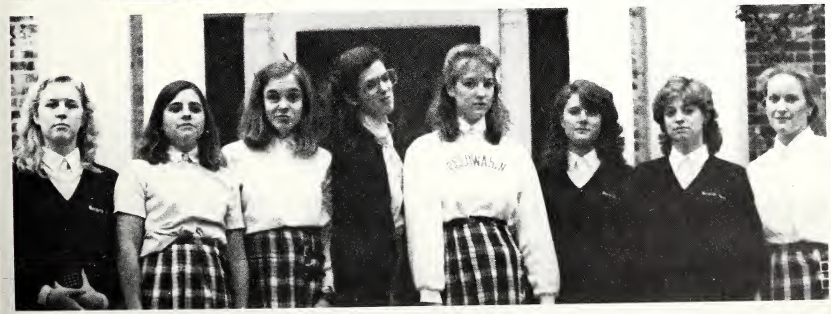

Mrs. Oxley, Melanie Po, Annie B. Williams, Allison Cummings

Seniority Means

From May 2-6, the Seniors finally received their well-deserved recognition: Senior Week had arrived. The girls celebrated their "Seniordom" on Monday with a cookout. On Tuesday they wore teal and white, on Wednesday their college colors. Thursday was everyone's favorite tradition, Junior-Senior day, during which the Juniors dressed like little boys and the Seniors like little girls. The day began with donuts on the Senior house patio, and as tradition dictates, the girls dodged squirts from the boys' water pistols. While some screamed and ran from their pursuers, the more radical feminists fought back. When asked about the week, senior Becky Bond said, "I missed people having to drink prune juice, but it was fun."

Sweat in Peace . . .

With the loss of the graduating leaders last year, the prospect of a successful track season looked dim, but using the new track to their advantage, the 1988 track team proved to be just as good as last year's. Many new freshmen joined the team, some of whom even went to the state meet in May. Considered a "young" team, the group showed great depth and promise, winning most of their regular season dual meets. Advancing to the regional and state meets, Harpeth Hall placed second and fifth, respectively, fighting their biggest rival, Brentwood Academy, all the way.

In 1974, Harpeth Hall created the track team, consisting of eleven members, including Olympic marathoner Margaret Groos. With such an outstanding group of runners, next year might just be Harpeth Hall's best year yet.

Annie Oakley Pales in Comparison

This year's riflery team, the fourth team ever at Harpeth Hall, was a great success. Captain Amy Hendrick led the team, which was the only Harpeth Hall team to compete with boys. After a small start in 1984-85 school year, the team later boasted twelve enthusiastic members. The team bonded together, practicing as often as possible at Vanderbilt shooting range. Winning many of their matches took a lot of work but was well worth the team's efforts. Although their original coach, Mr. Woolwine, died earlier this year, his son Skip took over the job for a successful season. The Emmons Woolwine Award has been established in his honor, and it will be given annually to a senior who exemplifies kindness and dedication in any sport.

Karen Dismukes, Kati Asbury, Heather Larkin, Amy Hendrick, Christine Johnston, Carrie Smith, Abbay Eaden, Ann-Kristin Sundell, Michael Maxwell, Ginny Frazer, Margo Fort, Becky Bond, Skip Woolwine

Athletes Get Their Just Desserts

The third annual Athletes' Dessert fests brought parents and athletes in for awards and reminiscing the sports seasons. The desserts, which replaced the annual banquets just three years ago, took place in the gallery rather than in the cafeteria as usual. The Middle Schoolers celebrated on Tuesday, May 16, and the Upper School held its dessert on Wednesday, May 17. After each of the middle school coaches gave individual awards, such as Most Improved and Most Valuable in the various sports, one eighth grader received the Patty Chadwell Award. Shelley Carmichael received the prestigious award for her enthusiasm, dedication, and sportsmanship in the athletic program. From the Upper School, Ramie Smith received the second annual Outstanding Athlete Award. Also, the Emmens Woolwine Award was given for the first time in honor of Mr. Woolwine who used to coach riflery, but who died earlier this year. The recipient must demonstrate her kindness, support, and loyalty.

Rit.? Accel.? Fermata?

Watch the Director!!

The Harpeth Hall choruses have upheld the tradition of excellence that people have come to expect of our school. Credit for this success goes to Mrs. Barbara Brummett, our Choral Director. Although the endless hours she spends teaching classes and giving music lessons and choosing music go unnoticed by most of the HH community, her chorus members appreciate her enthusiasm and her wit. She demands perfection from her students, and her constant encouragement motivates them to do the best they can.

The four choruses sang together in the Christmas program and in the Spring Concert. In addition, each chorus had individual projects. The Sixth Graders performed at the Holiday Chocolate and Honor Day, whereas the Seventh Grade performed at the George Washington Celebration and St. Cecilia's Music Appreciation Day.

The Upper School Chorus, on the other hand, represented HH at the American Choral Directors Association competition and, being one of only nine groups to receive an "A", advanced to the state competition. As a result, they received two trophies.

The Chorus, led by the seniors, tried to build up support for the program; even so, they received a disappointing showing at their impressive Spring Concert.

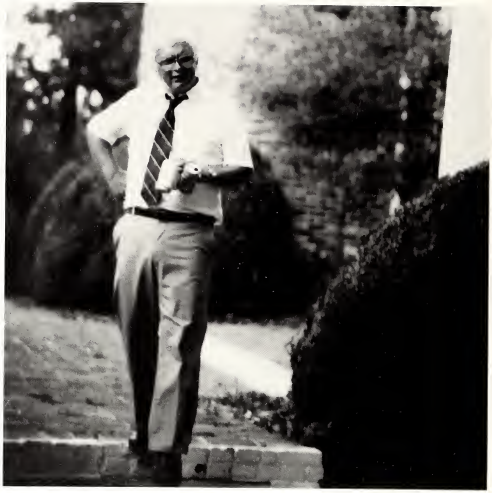

First row: Leslie Maddox, Jeanie Wright, Annis Marney, Tricia Ptomey, Christy Sharp, Tina Collins. Second row: Robyn Growdon, Katie Hardin, Hayden Harris, Abigail Goldberg, Holly Hall, Third row: Sophie Dobbs, Carrie Yates, Libby Benning, Kirkland Ahern, Mrs. Brummett, Stephanie Sheffield, Mary Margaret Crowell, Kara Sitton, Amy Foust, Diane Abbey, Susan Chang, Elizabeth Edwards, Abbay Eaden, Laura Jack, Kathy Caldwell, Megan Scanlon.

Knock on Wood

The Headmaster's Breakfast, a fairly new tradition as the name suggests, took place on Saturday, May 7. The breakfast was actually a brunch at Belle Meade Country Club which honored those who contributed $1000 or more to Harpeth Hall this year. Ninety-six people attended the brunch, which Polly Nichols organized. Mrs. Betsy Turnbull gave an excellent speech about various accomplishments of both the Upper and the Middle Schools and spoke of her personal feelings about the Turnbull's leaving Harpeth Hall.

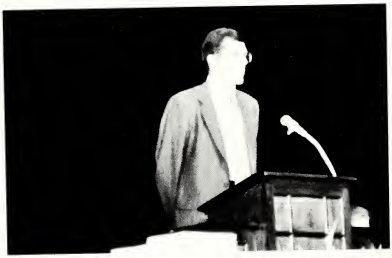

Mr. Wood has headed Harpeth Hall for eight years now, and next year, he will also take on the position of college counselor. Based on his previous experience in college admissions offices, he should fill the role effectively.

Middle School Mom

Miss Fessey: "Seldom is there a dull day in the Middle School. Each is filled with challenges and rewards. A singular reward comes from the opportunity to know and work with both students and faculty members. I can participate in their activities and enjoy their achievements. One of my greatest joys is to observe girls who were in the Middle School as they progress through their Upper School years. I am grateful for the opportunities that I have as Middle School Director."

Jazz Club

Front row: Courtenay Chilton, Kristen Kneeland, Elizabeth Branham, Olivia Daane, Lynne Ann Hampton, Tricia Ptomey, Dana Thomas, Cappy Monk, Melanie Po, Kirkland Ahern, Libby Fairhead, Becky Burke. Second row: Melissa Hampton, Meg Vaughn, Whitney Jones, Paige Ferragina, Carter Murray, Jennifer Rose, Marci Rosenblum, Andrea Brooks, Kathy Hamling, Ginger Hale, Julie Hartzog, Susan Fly, Laurin Howell, Catherine Perry

Tap Club

Front row: Sarah Walton, Leah Tomlinson, Kelley Bourke, Naomi Limor, Samantha DeFrance, Cynthia Curtis, Meredith Weigel, Julia Sutherland. Second row: Brandon Kinnard, Nikol Tschaepe, Kara Emerson, Whitney Jones, Kathy Hamling, Olivia Daane, Anne Breinig, Melanie Po, Brooke Graham, Amy Asbury.

Ballet Club

Front Row: Samantha DeFrance. Second Row: Ellen Huang, Maya Narula, Naomi Limor. Third Row: Meg Vaughn, Stephanie Cook, Lauren Howell, Sarah Walton, Catherine Perry. Fourth Row: Susan Fly.

Modern Club

Front Row: Meg Vaughn, Kristen Kneeland, Mary Blythe Cane, Kirkland Ahern, Andrea Brooks, Ginger Hale, Elizabeth Branham, Jennifer Rose, Paige Ferragina, Laurin Howell, Amy Hamilton. Second row: Stephanie Cook, Stephanie Sheffield, Dianne Abbey, Marci Rosenblum, Kathy Hamling, Sarah Ruccio. Back row: Robyn Growden, Dana Thomas, Lynne Ann Hampton, Tricia Ptomey, Eleanor Jones, Samantha DeFrance.

Shake It Till

You Break It

As the curtain rises the Harpeth Hall dancers forget their nervousness and concentrate on the music. They flit across the stage making the most impossible moves real. The famous dance concert has begun. Headed by Ms. Leslie Matthews and Mrs. Stephanie Hamilton, the dance concert started in 1976 and is still going strong. Involved in the performance are the Ballet, Jazz, Modern, and Tap Clubs. Ms. Matthews remarks that "We've really come a long way. We started off with no lights or sound system. The first concert actually cost $1.50!" The Turnbulls most appropriately received the dedication this year, and each dancer felt great incentive because they could finally give some of their best work in return for all the Turnbulls have given to the school. As one senior dancer says to underclassmen, "Whatever you do, always remember to Bop Till You Drop, DANCE, DANCE!"

Tennis Team Makes It

After winning the state match for the past two years in a row, Harpeth Hall made it to the final four this year before losing to St. Mary's, which swept through the tournament. The tennis team, which has existed as long as Harpeth Hall has and even before that at Ward Belmont, succeeded in trying for first place in both the Rotary Match in Chattanooga and in the Patty Chadwell Invitational at Harpeth Hall. Under coach Pat Moran, the team played undefeated in the district and won the Region.

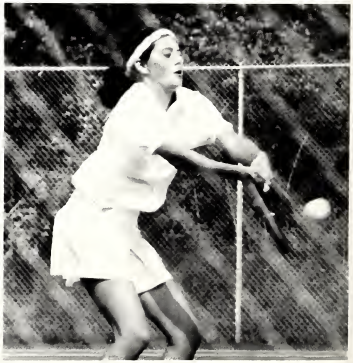

Senior Mary Lauren Barfield continued to demonstrate her superior ability as she advanced in the state singles' match. Like Buffy Baker and Mary Lauren the year before, Anne Crook and Murray Polk, in another junior-senior partnership, defended the doubles' championship title for Harpeth Hall.

To the Final Four

Murray Polk, Julie Riven, Mary Lauren Barfield, Jody Bainbridge, Caney Gunn, Anna Gray Anderson, Adrienne Parker, Abbay Eaden, Molly Crook, Anne Crook, Angie Gore, Manda Matthews, Erica Stoll, Cynthia Averbuch, Becky Troutman

Tony . . . They're Grrrrrreat!

Brandi Link, Mr. Springman, Dotsie McLeod, Amory Smith, Canyn Russell, Maria Carroll, Kelley Schmitt, Dr. Echerd (back row): Katherine Bomboy, Heather Cameron, Marla Connelly, Michelle Wolfe, Dana Suffridge, Amy Hendrick, Jenny Walker, DeDe Carroll, Courtney Coker, Katie McDougall (front row).

1987-1988 marked the first year that Harpeth Hall has had a softball team. Coached by Mr. Springman, the team played within a very competitive district. Although they lost eight games, Harpeth Hall defeated such rivals as Brentwood Academy, St. Bernard, and Martin Luther King. The team was quite proud of their extremely close victory over the muched feared Lady Wildcats of B.G.A. Members of the team included Maria Carroll, Kelley Schmitt, Courtney Coker, Katie McDougall, Dana Suffridge, Canyn Russell, Jenny Walker, Michelle Wolfe, Amory Smith, Dotsie McLeod, Amy Hendrick, Dede Carroll, Marla Connelly, Heather Cameron. Mr. Springman stated that his team "overall had much to be excited about since this was their first season." He continued to say that "all the team had a good time and look forward to an even better year next season."

Batter, Batter, Swing Batter!!

The Middle School Softball team swung its hardest throughout its eleventh season. Coached by Ms. Duvier and Mrs. Burr, the team travelled off campus to practice and played their home games at Percy Warner Park. Mrs. Burr reflected on the season by stating that the girls became closer by travelling together and that their enthusiasm for the game kept them going during their demanding HVAC season.

Rosalind Teal, the Honeycubs' star pitcher, won most valuable player at the Middle School Sports Banquet, while Missy McKeand and Shay Upadhyaya received praise for their outstanding ability. This year, the Middle School Softball team truly fulfilled the adage; it's not whether you win or lose; it's how you play the game.

Lift Up the Mind and SPIRIT!

National Merit Commendees, Semi-Finalists and Finalists

All-Club

Each year on Awards Day, Harpeth Hall has been presenting girls with awards for excellence in academics, leadership, and service to her school and community. The Book Awards were presented first. After a popsicle break provided by the Student Council, the Elizabeth Pope Evans Awards were presented to the five girls in each class who have the highest grade point average. Finally, Mr. Wood presented the Headmaster's awards and announced the Lady of the Hall and her court. The seniors' final Awards Day was memorable and reflected on the accomplishments of the student body. Many students left school crying, remembering the chorus of the Triad song that won the Club Song Contest earlier that day: "Today will be the day when I turn to you and say our friendship never ends. Cause in my heart I know, forever we will grow together as friends."

Popsicle

The Last

On Thursday, May 26, seniors and teachers approached Simpkin's house with smiles and happy greetings, but many left with tear-streaked faces and memories of years of good times. After a short visit and dinner, the group gathered around the pool to hear the "20 Years from Now" prophecies. With some smiles and lots of embarrassed faces, everyone filled into the house for a slide show.

Supper

With carefully selected songs and slides, the entertainment committee certainly pleased the audience beyond expectations.

Dating back to Ward Belmont, the tradition of having a senior banquet has lasted longer than many others for a good reason. The celebrated evening marks the end of exams, the end of the year, and the end of high school, but not the end of memories and friendships.

All Glory, Laud,

and Honor

On May 27, Mr. Wood presented the eighth graders with certificates of completion at Harpeth Hall's traditional Honor Day. Commissioner McReynolds, citing students as examples, spoke to the forty-seven eighth graders about Harpeth Hall's success in various fields. She expressed her hope for the fulfillment of the many opportunities for women. Miss Fessey then recognized Kara Emerson who received the Latin award and the Daugh W. Smith Award for her top Latin and English averages, and Heather Kirksey received an award for the highest average in Algebra I. Meredith Palmer was named the Melrose Citizen, and Mary Evelyn Brooks received the Polly Fessey Award. Eileen Burkhalter, Chris Hargrove, and Kathy Gale Estes received class spirit awards. The ceremony acknowledged the hard work of the eighth grade and proudly documented their careers at Harpeth Hall Middle School.

Hoping the Best

The tradition of Lady of the Hall and Step Singing has evolved over the past twenty-seven years from that simple ceremony which took place in front of Souby Hall and featured the presentation of the Lady of the Hall and her court highlighted by the singing of the senior and junior classes. Annis Marney, former Lady of the Hall flower girl, was elected by the student body to receive the school's highest honor. In addition to the traditional ceremony, this year's program included an alumna speaker, Suzanne Braden, Class of 1962. A special presentation of a long awaited and deserved diploma was made to Betsy Lowes Meador who, although the top in her junior class in 1956, was not allowed to graduate from Harpeth Hall after secretly eloping. Despite difficulties, Mrs. Meador finished college and went to become an award winning teacher.

Lady of the Hall Annis Marney

Mimi Mayo

Emily Clark

"Free at Last,

What we have learned to demand from ourselves and our school we will demand from our future. The most successful Harpeth Hall education is not the one which produces the highest SAT scores but produces students who are fiercely individual and who will embrace, protect, and continue Harpeth Hall's tradition of excellence.--Becky Bond

Time at Harpeth Hall has been challenging, at the least! It's been an uphill battle all along, but, boy, am I grateful for it. This school has whipped me into shape--prepared me for the future; I feel ready now to go out into the world and ...SOCK IT TO 'EM.--Julie Cantrell

Free at Last!"

My advice to academically-oriented students: A person should not look back at her high school years as a time when she nearly killed herself to get good grades; rather, she should see a period of her life in which she matured as a student, a friend, and an individual.--Abigail Goldberg

During the past seven years, most of my activities have been connected to Harpeth Hall. People often seemed amazed at my attachment to a school, of all things, but the key to happiness in everything seems to be cooperation, determination and a positive attitude. In other words, GET INVOLVED WITH LIFE!--Annie B. Williams

I have supported the honor system here as much as any other organization. While many people look at the graduating class for their college choices, the individual principles and morals that each girl has cultivated and decided to live by through her total education outweigh the tangible honors she may have achieved.—Annis Marney

"Friends are friends forever if the Lord's the lord of them, and a friend will not say never 'cause the welcome will not end. Though it's hard to let you go, in the Father's hand we know, that a lifetime's not too long to live as friends."--Michael W. Smith

On looking back over these past years, my remembrances are special, from challenging yet enjoyable classes to athletic competitions and especially to my wonderful friends and teachers. I leave Harpeth Hall with sadness due to its completion yet with joy because of the special friends, experiences, and growth it has given me.
—Allison Cummings

"If you want to sing out, sing out! And if you want to be free, be free! There's a million things to be, you know that there are. If you want to live high, live high! And if you want to live low, live low. There's a million ways to go, you know that there are."
