

5. If work represented in Ward-Belmont by a college point has been done elsewhere, but not in college, an elective preparatory point will be allowed, college credit will not be allowed, unless sufficient supplementary work is done in Ward-Belmont to make it equal to the corresponding College Course.

6. For a Ward-Belmont Diploma, at least eight of the required points must have been earned in Ward-Belmont. In the case of a student who has done equivalent college work elsewhere, exception to this rule may be made under the following conditions. Official testimonials as to such work and a catalogue of the college, with the work done fully designated, must be furnished to the Dean. The credit due, in no case more than four points, will then be determined.
