## CLASSIFICATION

The number of points of work completed at the beginning of a school year determines the class to which a student belongs. Four completed points, as found in either of the two courses outlined, give Sophomore classification; eight such points, Junior, twelve, Junior Middle.

For Senior Middle standing, fifteen completed points in one of the courses outlined, including all the required points except one through the Junior Middle year, are necessary. Completion of a regular course of a stand-

ard four-year high school will ordinarily meet these conditions. If so, such work will entitle a student to Senior Middle standing in Ward-Belmont.

For entrance to the Senior Class, the attainment of Ward-Belmont Diploma at the end of the school year may be possible.
