TENNESSEE ORTHOPAEDIC ALLIANCE

January 30 2013

Ms. Rebecca Blair

Dear Rebecca,

Thank you so much for those beautiful and delicious chocolate chip cookies! Your note was even better than the cookies, and I will save it. I have a memory box for special people and you will be in it.

You are a delightful young woman with talents and an approach to life that are far beyond your years. You are far and away the most impressive girl I have met through all the years of the intern program and I am confident that you will be remarkably successful in life. It is rare to find your career this young, but I think you may have really done it. You appear to be well suited for this and I am grateful to have been in a position to help you along the way a little bit.

Just in case you lose my e-mail, it is [oglesbyjw@toa.com](mailto:oglesbyjw@toa.com). If I can do anything to help along the way, if you start drinking coffee and want to meet at Starbucks, or if you have time during summer breaks where you would just like to head back to the OR, please let me know.

Again, it was a wonderful time for me too. Take good care of yourself, study hard, and I will look forward to our next meeting.

Sincerely,

J. Wills Oglesby, M.D.
