IT SEEMS TO ME . . .

A Personal Message from Rabbi Brooks

It will prob-
ably come as a
surprise to many
of our Congre-
gation to know
that for many
months now a
committee has
been hard at work planning for the
celebration of the One Hundredth
Anniversary of our Congregation.

A century of significant history
deserves proper recognition. One
has only to contemplate the
changes in every aspect of
American life since 1871 when our
Congregation of Temple Israel was
organized to realize that the
purposes and format of the
synagogue have been no exception.

In our centennial year we will
try to record and to evaluate our
past. But we will also use the
occasion for an honest appraisal of
our capacity to meet the future.

IT SEEMS TO ME . . .

(Continued from Page 1)

Our planning which reaches into May of 1971 will, we trust, bring to the Temple speakers and teachers, events and programs which will make the occasion more than merely a calendar turn of page.

We shall publish a fine Centennial book containing among other things a history of the Congregation in pictures and text.

Meanwhile, there is much research to be done. While a great deal of the history of Temple Israel has been written, much that is meaningful has not. In latter years careful records have been kept. But formerly much was lost.

Still we have, in addition to written records, a valuable resource, the memory of many of you.

So, if you have memorabilia relating to the Temple, please share them with us. Programs, pictures, souvenirs of special occasions or your own recollections of people and events are all important to us no matter how trivial they may seem to you.

If the items you hold are precious to you and you wish to keep them, just let us have them long enough to photocopy and then we will both have them!

Please look around and think back. Anything that touches upon the life of the Temple, its leaders, its members or the community of which we have so long been a part will be received gratefully.

Share your memories with us, so we can celebrate as fully as possible together.

HATS OFF TO
NFTY PANEL

The following letter was received by Mrs. Jane H. Brooks, NFTY Advisor:

"To express pride adequately is most difficult. All I can say is 'the buttons are bursting!' . . . as should the buttons of every Temple member. I am referring to the excellent presentation made by the NFTY Panel — "We Speak for Judaism" at the last Hadassah meeting.

"The young people are truly beautiful in their knowledge as well as their poise. Although they do speak mostly to Christian youth, I feel every Temple member should have the opportunity to hear the panel and feel the same pride I do.

"I am grateful that the panel is representing me in such a positive way."

Mrs. Arthur (Shirley) Kulakofsky.

Temple Members in the News —

Nathan E. Jacobs appointed Secretary of State William Rogers as a member of the United States National Commission for the United Nations Educational, Scientific and Cultural Organization for a 3-year term.

RARE ITEMS IN TEMPLE ISRAEL'S MUSEUM — XV

Many Nazi Memorabilia which are displayed in our museum remind us of the human scum which caused the death of 25 million people of whom 6 million were Jews. Above pictured is the JEWISH STAR ("Jood" is Dutch for Jew), a badge worn by all Jews in Nazi-occupied countries.
