Temple Israel *Tidings*

VOL. XXX

August 24, 1979

NO. 1

IT SEEMS TO ME . . .

A Personal Message from Rabbi Brooks

A FLIP OF THE SWITCH!

This issue of our *Tidings* ought to convince you that there are no "seasons" inside the Temple. While the world outside blisters and freezes, toils and vacations, inside the Temple walls there are the same serenity and frenetic activity, calls and visitors, work and worship the year round. All we do is flip the switch from heat to air conditioning and go on with our tasks.

Here in this somewhat anticipatory *Tidings* is part of the beginning of our plans for the New Year. Even now, midsummer, the world and our society has undergone much change since the trees first turned tentative green in the spring. And, it seems to me, our lives are like that. Everything we do is best considered in tentative terms for a better future.

May we meet soon. We are always eager to see you, to talk to you, to share your life's experiences whatever they are.

Summer or winter there are no "seasons" inside. We flip the switch and you will always find the same comfortable atmosphere in Your Temple.

SUNDAY TRAFFIC CONTROL

1. **NO PARKING OR STOPPING WILL BE ALLOWED IN THE DRIVEWAY.**
2. A member of the Traffic Control Committee will be directing **all** cars into the parking lots.
3. Absolutely no child will be allowed to proceed into the driveway to enter a car that has slowed down to pick up the child. **NO EXCEPTIONS CAN BE MADE TO THIS RULE!**
4. Parents will be asked to park their cars in the lot and **walk** to the South entrance of the Synagogue to escort their children back to their cars. PARENTS: PLEASE DISCUSS THIS PROCEDURE WITH YOUR CHILDREN NOW TO REMIND THEM OF ITS IMPORTANCE.
5. If someone **other** than the parent will be substituting in picking up the child, such as a grandparent, etc., the substitute **must** be briefed on our procedures by the parents.

* * * * *

Our Traffic Control System is devised to move the heavy Sunday traffic following Sunday School in an orderly manner and, **most important**, to protect your children from and eliminate injury.

THANK YOU TO REX PERLMETER

We would like to thank Rex Perlmeter, who substituted as Cantorial soloist at our Shabbat Evening Services while Cantor Karp was out of the city.

Rex sang splendidly and Temple Israel is proud to have Rex contribute his obvious talents to the mood of our worship.

Rex is entering his senior year at Princeton where he has been a superlative student.

We wish Rex well and hope to welcome him home soon again and, we hope, to our pulpit.
