RABBI HERBERT A. FRIEDMAN TO SPEAK FOR U.J.A.

Rabbi Herbert A. Friedman, Executive Vice-President of the United Jewish Appeal, the largest wholly voluntary philanthropic agency in the United States, and one of the outstanding leaders and authorities on refugee problems on the American Jewish scene, will speak on Tuesday, April 29th, at 12:30 p. m., at the Beth Israel Synagogue, 52nd and Charles Sts., in behalf of the U. J. A. Rescue Fund and the 1958 Campaign.

Regarded as one of the most gifted and dynamic leaders of the American Jewish community, Rabbi Friedman has been a driving force behind the outstanding achievements of the U. J. A. in recent years. His skill in making on-the-spot studies of the refugee crisis in every part of the world, combined with his talent for communicating his observations to the public, have earned him wide reputation as an informed and

effective leader. He recently made an on-the-spot study of needs among recently repatriated Polish Jews who have returned to Poland from the Soviet Union. Rabbi Friedman has made frequent trips to refugee trouble spots, including lonely border crossings, refugee camps and ghettos in North Africa. The finding of his survey trips and comprehensive reports to the American Jewish community have helped to transmit the life-saving message of U. J. A. clearly illustrating the urgency of U. J. A. fund-raising activities.

Rabbi Friedman assumed his present post on July 1, 1955, after serving as spiritual leader of Temple B'nai Jeshurun in Milwaukee and Temple Emanuel in Denver. Born in 1918, he was graduated from Yale and later was ordained by the Hebrew Union College Jewish Institute of Religion in 1943.

1958-59 Nursery School Plans

Because much interest is being expressed in the 1958-59 Nursery School program, Mrs. Morris Lipp, Sisterhood's Nursery School chairman, announces that registration is now open and urges early enrollment.

The class is limited to 20 students. Children will be taken in order of the registration, but Temple members will be given preference over non-Temple members. Temple Nursery School Committee asks that all registrations be made by May 1, accompanied by a \$10 pre-registration fee, to be deducted from the tuition.

Sessions are Monday, Wednesday, and Friday from 9 to 11:30. Children should be between ages of 3 to 5 years, with preference given children 3½ years or older. Acceptance of younger children will be determined by an interview with Mr. Maury Schwartz. Fee will be \$75 per child per semester for Temple

Letter from Jewish Publication Society of America to Rabbi Sidney H. Brooks:

Dear Rabbi Brooks:

An official acknowledgment for the gift in your honor from the members of your Temple Sisterhood Bible Class will be sent to Mrs. Greene in the near future, but I do want to write and tell you how much we appreciate this generous gift.

You may have heard that we recently prepared first proofs of the Book of Genesis based on the work of the Revision Committee. A copy of these proofs is being sent to you with our compliments.

Best regards.

Sincerely yours,

LESSER ZUSSMAN,
