Omaha, April 7th 1889

The Board of Trustees Cong. of Israel
Gentlemen!

It is with sincere regret that I am constrained
to pen these few lines wherein I tender
my resignation as Rabbi of your Cong.
same to take effect at the expiration
of my present term. In doing
thus I am actuated by the hope
that a temporary change of
climate will materially benefit
the health of my family which
was not in a good state during
the four years of my pastoral care
of your Cong. I hope that my
successor in office will labor
as zealously & intelligently as I have
endeavored to do. I with the kindest
wishes to yourselves individually
as well as to the Cong. generally
I am,

Yours truly
N. I. Benson
