Dear Lucille + Abe:

To thank you both for so many acts of friendship and thoughtfulness it and to do so adequately is difficult.

I and I appreciate so much the Book of Psalms that will be in the Temple Library in our honor, the sincere words you spoke at the service and all the planning I know you did for that occasion. We are appreciative and we cherish your friendship.

Our hope is that we may all be together for many years in health and happiness to share other occasions of joy.

For I and myself: many deep thanks and affection to you both.

Yours.

Sidney.

Dear Lucille & Alce:

You have done so much for us it is difficult to express gratitude adequately. First and foremost is your warmth and friendship.

The gift of the "Book of Psalms" to our library in our honor is superb and we are both proud and grateful.

Then, for all you did to make our 20th so tastefully lovely we owe you gifts of time and planning a lasting memory that will always brighten our lives.

You are always more than kind. We can only tell you that whatever you feel for us is doubly reciprocated.

Love and — Thank you for the gift of the illustrated Psalms, for all your attentions and for your help in so many situations — and also for being the lovely people you are. Love from Lane and Sidney
