Your School

Keren Ami

We are anxious that parents have the understanding of the importance of Keren Ami in our Religious School program. Keren Ami is our school charity fund which students contribute to weekly. Keren Ami is Hebrew; it means "fund of my people."

We have two purposes in mind in our Keren Ami program. The first is to acquaint our students with the important religious principle of sharing with others less fortunate than we. We want our students to develop the habit of sharing and giving early in life. Secondly, through discussion of the agencies and groups in Jewish life which receive Keren Ami funds, we teach students about the important agencies on the contemporary Jewish scene. We urge your cooperation in this significant aspect of our Religious School work.
