

SANTA ROSA HIGH SCHOOL — Santa Rosa, California
The city is justly proud of its fine school system.

Dear Mertie;

Heard about your big storm last week. Down here we have been having rainy weather too but the wind is mild. Roses are in full bloom here and Wisteria, tulips, anemones and Iris. So you see the season is a little farther advanced. I'm glad I brought some summer clothes as I have been wearing them with comfort. Today is good Friday I shall miss the nice service we have at home.
