

September 11th, is a day that no American will ever forget. And now we approach the anniversary of that awful day.

On that tragic day, I was at school when my History teacher said, "The twin towers were attacked." Immediately after that, she turned on the t.v. and exclaimed, "Oh my God." As we watched, the news anchor said, "The second tower was just hit." After lunch, our teacher was crying and saying "The towers collapsed."

Later on that day, I heard a quote that remains true, "No American will ever forget this day." Now we unite as a country and remember 9/11.
