

When this happens I was on Ms. Alaniz class I think I was on second period I think. I was doing my assignment and then Ms. Alaniz tell all the students including me what happens. Later all the students start talking about it. When Ms. Alaniz tell as were like 9:30 or 10:30 AM. And then Ms. Alaniz start to cry and some other students start to cry too. When secon period end all the students in the school were talking about it all day long all talk about it. I feel sad for all this tragedy but I can do any thing for this tragedy
