When I was flipping channels
I saw what had happend in
New York City with the twin towers.
"I never thought something like that
could happend". Seen the tower fall
and people bleeding while running.
All those people crying trying
to help other out. "Why would
Osama Bin Laden do this" I'm still
wondering. I know some of
why but I'm still confused.
"Honestly things have changed
for everyone in the U.S.A." But
now when I look back I feel bad
for those innocent people.
