

= Tragedy in New York =

"Reporting live from CNN," concluded Kathy from the monitor. We have just gotten the terrible news. "Unbelievable! The twin towers and the pentagon have just been hit by airplanes," said Mr. Ramos.

"Why?" I whispered sadly. They kept repeating the tragedy views, and I thought about the innocent people that were dying. That night I prayed for them and all of us, since that was all I could do.

Sometimes the things you think can never happen, they happen just like that.

An example would be this.

I'm sure we all learned something from this, and may 'God Bless America!'
