

The day of Sept 11 of 2001 is a day that no american will ever forget, this was the day that Osama Bin Laden attacked the twin towers and unfortunately it caused a lot of deaths. A lot of fireman sacrificed their lives to help others and unfortunately they got killed. When I found out about this I thought to myself "Who could be this heartless?" and that day I found out that theres a lot of heartless people outthere, and up till this day they haven't caught Osama Bin Laden and I wonder what's going to happen to him when they catch him.

So I still wonder.....
