photo North Vancouver Museum and Archives

BURRARD View School opened in 1946 at 1475 Deep Cove Road, now the site of the Burrardview Housing Co-operative. Many pupils passed through the doors of the school in its years of operation, but the North Vancouver Museum and Archives does not have any photos of classes or staff. If you are able to provide one or more as a loan or donation, please phone 987-5618.
