Dear Cousin Paul -

I want to thank you for the pictures and information you sent about our Lambert ancestors - that was very exciting. I had no idea that branch of the family went back that far. I have found a lot of old photos and clippings of my father's college days and I'm sure some of them are of the Harris boys. Would you be interested in having them?

To bring you up to date on our family: my mother, Anna Wilson Mayne, died in Frontenac, Ks. (next small town to Pittsburg) on December 15, 1991, in her sleep. She was 89. She is buried in the Wilson - Mayne Family plot in Otterbein Cemetery, Westerville, Ohio. On July 25 my husband and three of our adult children are going to fly to Columbus for a couple of days to visit Westerville and have a service at the gravesite.

I don't know if you sent pictures to my brother, Robert - if not I will have copies made and sent to him.

He has moved and his new
address is: 9828 Lemon Ave.,
Arcadia, CA. 91006.

Our youngest son and his wife
have a baby girl, born April 14, 1992
in Wichita, Ks - her name is Anna
Christine Vegquist. We have another
grandchild due in October - to the
son who lives in Sweden.

I have other information I would
like to share with you and I'll
write more later.

Sincerely,
Betty Vegquist
