

CONRAIL

June 30th 1987

Dear Dick,

Boy, it was good to hear from you again even though you didn't write one word! John, Ed and I have been worried about you when we didn't hear from you, at least at Christmas time, as you can see from the letter I got from John recently.

I see that you moved and now you live on the other side of High Street, but still not too far from OSU which explains the Commencement program you sent me. Thanks, but I don't recognize a single name on it except Howard Metzenbaum your Senator.

As you can see I am still here in Philly now working for Conrail under a contract they have with DeLennw, Cather who called me back here from Ohio in 1978 to work on the Northeast Corridor project.

Hope you are OK and we surely would like to hear a word or two from you when you get a chance. We may be back in Ohio again before long.

Take care now and we send greetings and best wishes

Glenn
