Dear P. J.

I can't begin to tell you how much I have enjoyed the book of ancestors - and descendants. It has been much admired by others, and I have spent many hours getting acquainted with it.

Before I forget about this, I want you to know that the two family pictures (Harris) on the wall are to go to you, as the son of the oldest son. If you care to make copies for the other two surviving branches of the Harris family, I am sure it would be much appreciated. Do come to see me when you

get down this way, - but you had
better wait until the Hurricane
has made up its mind.

All good wishes ;

Uncle Dan
