Living Bertha:

At home once more and everything lovely. It is
most train time and I want to send this on the train.
Am at Sathof, rode a pony down here, Alice can not
last long. I doubt if ~~more~~ than till tomorrow.
I send your Bible and Studies express prepaid.
You can try that many Studies and if you
want more I will send them, I enclose a
Canvass and Testimonials, you notice one of
them is U.B. ~~very~~ strong. I write again
soon. I had so few studies on hand was the reason
I send no more at present. This Bible is for
canvassing work I will tell you more about
the work when I have more time, I think you will
be successful in your work. Your Love, J. H. Harris.
