Dear Mr. Harris:

Enclosed please find FGS for my EMBREE line. I corresponded with Kay Evans on Prodigy and promised that I would get you this information. I'm sorry I'm so slow but I work for the Postal Service and with the holidays and the rate increase, I've just been too busy for any genealogy.

I have information on some of the female lines, too - RICHARDSON, STARR, and LEWIS. If you are interested, I will send those FGS. I also have the names and addresses of some other EMBREE researchers who are very happy to share their work.

I would be glad to receive your information. I am interested in all lines, not just my direct line. I am descended from Samuel through his son Jesse (next older brother of your Israel) so we are cousins. I'm always happy to discover a new cousin.

I am enclosing a SASE for your convenience and will be waiting to hear from you.

Sincerely,

Louise

Louise M. Hutchinson
