

The FLOWER
BABIES' BOOK

May 25, 1978

Dearest Dan and Aletha,

Just a short note to thank you for the pictures and such a wonderful visit on your anniversary when you so graciously shared your time with us.

I finally got my darkroom equipment and am sending you some of my first attempts at color printing. More will follow as time goes by.

Let us know if Danny or John are ever going to be down there. We could hop over for a visit.

(over)

P.J.'s doing just fine.
He weighed in at 16 lbs 6 ozs
on his four month check-up
and said he is looking
forward to seeing you again,
as we all are.

Love,

Paul, Cathy, &
P.J.
