Dear Paul,

Hope you 3 had a good trip back. It was really neat that we could get together.

In our mail, to my surprise, was this letter that in sending a copy from Lucille M. William. This the lady Ruth Hart had sent the information from McConnellsville & I gave to you. If she knows Betty Knapp I would have thought she would have had our History but in going to send her a copy of our line down to me.

In interested in this line ~~that by a mistake~~ of her's. And

Wondering if they all went
to the Mississippi Area or if
just Luella lives there.
Also I see she spelled
Sara (Stiere) + my copy
Belle Knapp wrote out was
(Styres).

I hope she writes back
soon. Maybe she will get
in contact with you.

Hope you can read this
It's hard with my sore finger.
I don't write good any way.

Bye for now.
Love - your
cousin
Marlyn Stuart
