Miss Lambert

Westerville, Ohio.

Loving Bertha: Unless the morning mail brings other word I expect to be able to leave here this afternoon. I can not possibly get away sooner. I have disappointed you so much already you will hardly know what to believe. Do not sit up too late for me. I worked until 1 o'clock Sat. night. I did not enjoy the day yesterday because I felt that I ought to be with you. I think I can come to night, but do not worry if I do not get there.

Your Love
