Dear Malcolm:

I received your letter
and will write at length after Thanksgiving.
You might write to Ernest
Lambert's daughter Betty Knapp who
is writing a genealogy of the Lambert
family.
Her address is:

Mr George L. Knapp
3145 E - 42nd St
Tulsa, Oklahoma 74105

Her grandfather was Dr Oscar Lambert
brother of Mayme Lambert Ewing.
and Rebecca Lambert Stephens
and Chaffey Lambert and one
other.

Her father was exactly the same
age as Earl Hopkins his 1st cousin.
Earl died at the age of 80 in 1972.
at Christmas at his

daughters in Columbus, O.

John Mayne has a good bit of information. Bette went to England and while there tried to find the ancestral home but could not.

My father said an ancestor was banished after the destruction of Chast to the Island of Jersey and from there came to the U.S. The earliest recorded name in the U.S. was a John Lambert.

Have a nice Thanksgiving. I am going to my son's house. Wm P. Warfel - Big Bend, Wis for Thanksgiving.

Sincerely
Pauline Lambert Warfel
