

Plantville O, Nov. 11. '94.

Mr. J. A. Harris

Bellevue O.

Kind friend: At the close of this another Sabbath I will spend a few moments in conversation with you but I fear it will be one-sided and dry as usual.

I have just returned from Plantville. Our Y. P. C. U. met with the League, tonight. The result was a crowded house and a good meeting. Last Sun. evening, the League met with us at Mt. Huron, we had a full house and good meeting.

The ill feeling against our society is gradually vanishing and people are beginning to see, that it is for good and not evil. We are preparing for a thanksgiving entertainment which will be given under the auspices of the Y. P. C. U. I hope it may prove a success and be the means of doing some good.

The fall term of my school closed last Fri. How rapidly time flies! I can hardly realize, that another year is almost gone with its privileges, blessings, joys and sorrows. And as I look back and

see the many golden opportunities that have passed by unheeded, it sometimes brings a thought of sadness, but I am thankful that I am where I am and what I am!

I must confess I had looked forward to this year's work as one of monotonous toil, but instead it has been one of pleasure, thus far! The Lord has been so good, to smooth every rugged path and to lead when I was willing.

I have, tried, to cast every
care on Him and, trust
that he will lead me in
a plain path. I am striving
to follow in this path as
best I can, and desire, to
be so consecrated, that I
may be able, to feel as
you have expressed yourself
in the references, which
you referred, to. I want my
will, to be subject, to Christ's
will in all things.

Harl and Eliza Lambert
expect to move to H. Va.
this week.

No more for tonight,

Your friend

Bertha Lambert.

*B. I enjoy reading the papers you
send.
