Dear Marie,

you are probably shocked
to hear from me. I got your
address from Pauline's son, Ted.
You probably know that Pauline
died last Feb in Wisconsin
when her only son lives.

I have been corresponding
with Betty Lambert Knopp, a
distant cousin who lives in Tulsa.
We met her in Florida a
couple of years ago. She is very
much interested in the Lambert family.
I think I have ~~some~~ family
(D. W. Lambert) pretty much in
mind except for the last generation;
I mean our cousins' children.
I believe, out of 31
grandchildren there are
only 6 still living.
I'm writing to find
out more about

your family. Are you the only
one still living in your family?
Natalie Lambert is living in a
rest home in Cincinnati; Daniel
Harris in Miami, Fla., Richard Harris
near Columbus Ohio, Charles, my
brother in Cincinnati, Phil Charles
in Florida but is going back
to Guam in Feb. and I live in
Owells, Ohio in the summer.

In your family, I remember
John & Mattie, Claire, Frank & Ralph
who was my age. Did they
all marry and have families?

Also do you have children?
The only way the Lambert
name could be carried on and
through your brothers, since
my brother had no children and
uncle Jack Lambert had just two
girls.

Pauline had one son, I had
a boy & a girl. I also have ten
grandchildren but of course no
Lamberts.

We have been coming to Florida for several years in Jan., Feb. & March. I have Angina and the weather here is much better for me. I have been in the hospital once since we came to Florida. We will see Dan Harris before we go back to Ohio.

In our family, our son lives in Orrville and is sales manager for Will. Burd Co. He has 4 girls and one boy. Oldest girl graduated at Bowling Green College of Ohio and Harvard. She and husband and son live in Boston. She is a micro-biologist, second girl of Rodney lives in San Francisco and is in banking & married, 3rd girl is a graduate nurse; Boy - David is in Penn State; 4th girl graduates from N.S. this spring.

Our daughter graduated at Otterbein, married and has five boys.

Oldest boy junior at Univ. of
Miami of Ohio, 2nd son at Ohio
State and three boys at home.
They live in Galion, Ohio.

The only other Lambert family
I knew came from Anderson,
Ind. and went to Otterbein.
Let me know about your
family as I have lost complete
track of them.

I'm not sure of the connection
we have with Betty Knapp but I
think our grandfathers were brothers.
I would like to hear from
you about your family.
