My Darling Joe:— I believe
it is not my turn to write—
but I will not wait for turns.
I have decided to go to Liberia
next Fri. July 3, and will
probably want to canvass
billion next week if I can
arrange matters all right.
I feel like it is hardly right
to bother you with such a
question just at the present
time, but thought perhaps I
had better write. I will med
more studies and I thought
possibly you had ordered.
Now please do not let me
make you any trouble for
I would just as soon order them
from the company and then

it will save you the trouble.
Ira had asked me to take
some of him and I had
planned to do that, but we
rec'd word yesterday that he
would not be at home
until after the Y. W. C. A.
conference. He is engaged to
wait tables and seems to
be entirely captured with
the place. I have only written
to you concerning the studies
that we might have a clear
understanding of things and
do not want to make you
any trouble at all.

It canvassed Mon. and sold
five more of the studies.
I want to finish up Water-
ville today. I have enjoyed
the work so far exceedingly
well. I can feel that I am
introducing something of
great worth to Bible students.

Our reception Mon. evening
proved a grand success
and every one seemed to
enjoy it. I have been quite
anxious to know how the
sick ones are, and trust
that you will all take good
care of yourselves. I feel
sorry to have home for it
will leave Martha & Elsie
alone but I am glad they
are here where they can
enjoy so many privileges
and opportunities.

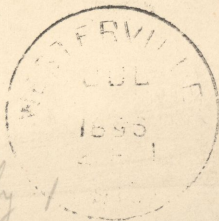

You may airvent me
at Liberia and if you have
sent studies (if expressed) they
will have to come to St. James.

May God keep us in our
wanderings.

Yours truly,
Bertha Lambert.
