Dear Paul:

Just a note to let you know I wrote to a granddaughter of Leander Harris about the sword of David Work, but I have not heard from her. I also asked her about the descendents of Austin Harris.

Howard E. North, son of Bruce North, grandson of Sara (Harris) North, died here recently; I will call his widow soon and ask her about the HARRIS Family Bible.

Best Regards,

P.S. When are you coming to Athens County?
