Dear Pauline and Paul,

Alberta kindly showed us your letter to her with your inquiry where we are living. Now you know--we have moved to the Otterbein-Lebanon Retirement Community. We have been here a little over two years. We still like the place, and believe that we made the right decision to come. We felt that we were able to make the decision and not wait for someone to make it for us.

We are in an apartment in the independent living area. So we can drive to stores, library, and occasionally to Dayton. We enjoy basically good health, though we notice a little more willingness to pass up some activity.

The program office secures tickets to the Friday morning Cincinnati Symphony Concerts, and for the past two years we have subscribed to these concerts. A bus takes us to the entrance, and stops for lunch on the return. WGUC classical radio comes in clearly, and provides wonderful listening.

You were kind to try to notify us of the death of Dan Harris. (The P.O. apparently has stopped forwarding first class mail.) Dan was a wonderful man and an inspiring singer.

We hope Paul finds his roots, and a job, and a future. What a struggle he must have endured.

John Smith's wife, Virginia, lives two doors from us. She plays a great part in life here. Her older sister, Marian Temple, just recently moved next door, with her husband Paul. Marian was in our class in H.S. and college.

We can enjoy visits with Alberta and Charlie, here or in their place. Their contentment with each other is a pleasure to see.

With warm personal regards,

Edwin Burtner
