Dear Paul,

Just a brief note
as I want to put these
in the mail today.

Spoke to son John
on Sunday & he's fed up to wenter.
He said Ft. Lauderdale is
striving to become ^{top} city ~~of~~ by
~~the~~ 1995. They're trying to
change their image. I know
I was over there in Jan. &
there is alot of ~~Construction~~ ^{renovation} going
on & they've redone the beach
street & it's beautiful.

Spring lunch
to Beth today. Cliff hasn't
been feeling too well & is
anxious to get back to his
doctor up north so they're
leaving here tomorrow.

Hope all is
well. Just spoke to John &
he got home OK - I'll be
leaving with him today.

Good luck in
your endeavor - Trust things will
turn around real soon -

Love & all
Nelen
