

Westerville O. July 20

My Dear Husband

I will write a little hastily as Elsie is going to the office before the train. Paul and I are real well and having a fine visit. Paul had the colic last evening for a little while pretty bad but seems as bright as ever today. I think it was the Damp weather that did it. I think I am feeling so much better than when I came over.

We are keeping Mother
as quiet-as possible
and her limb seems
to be improving very
fast.

I have been having
so much pain I think
you can not get much
done at your work.

I am quite anxious
to hear from Mrs. Shull.
Fra is coming one week
from next Mon. but I
hardly feel that I ought
to stay that long if Father
comes home next week.
I recd your card Wed
morning, was so glad
you got home all right.

I have been working
at one of Paul's new
dresses some today. Elsie
is hemstitching one of
them. I have not been
away since Mon. it
seems that we have been
so busy. Otto & Lena
were here Tues. P.M.
afternoon but somehow
it took them all the
afternoon to look over
Otto's books.

Now do take good care
of my ^{darling} boy and write
often. I know it is
quite a sacrifice on
your part for me
to be away and I

Thank you so much
But I feel that it is
rather selfish to be off
having such a good time
and you at home working
so hard.

Be sure and get plenty
to eat and do not
work too hard.

Pray for us each day
and may you be
kept - happy.

Lovingly
Bertha
