

Box 83

Athens, O. Sept. 5, 1894.

Miss Lambert,

Please allow me  
this opportunity of con-  
versing with you through  
the medium of the pen.

This evening finds  
me enjoying life  
fully as well as could be  
expected after a day  
devoted to brick and mortar.  
You perhaps may have  
expected to hear from Ada.

, but we have more work  
than was expected.

At present we are aid-  
ing the cause of Catholicism  
by helping to build a  
new church.

I think we can finish  
all work on hand now in  
about two wks., when  
unless more work opens up  
school shall take my atten-  
tion, but before going I  
shall try to come out on  
the ridge, and if agreeable

and convenient to you  
would be pleased to call on  
you, but cannot give any  
certain date.

(Perhaps it might be  
well to bring some peanuts  
and candy.)

I recd a letter from Ira  
in which he gave me an  
invitation to stay with him  
this winter. I space will not  
permit saying what comes  
to mind on this subject, so  
I refrain from speaking  
further.

I trust the time goes pleasantly with you and that each day with its opportunities and responsibilities may develop seeds sown by your hand, consecrated to the cause which I believe has always been uppermost in your life and mind.

I shall be pleased to hear from you at your earliest convenience and if called to some other work will inform you of the change.

Hoping this may find you the recipient of God's mercies and thanking you for this opportunity I close by referring you to II Cor. 1:12; III Cor. 1:13-14.

Your friend,  
J. H. Harris.

Miss Bertha Lambert,  
Plantsville,  
"Morgan Co." Ohio.
