Dear Sue & Paul,

I still don't know when they will be ripping out the Kitchen but at the earliest it would probably be April 29th

If any thing you may be a little help. As long as you don't mind the concrete floor in L.R., D.R. & K. - I would love to see you. Looking forward to seeing John, Maryam & Kids & then you both -

In writing the date I realized I forgot Katherine's BD. I've been too preoccupied with so many other details. - Love, Helen
