Dear Mrs. Bierley:

I learned in conversation with Edwin Burtner this afternoon that you have written to the seminary sometime ago and that you have not received a response. I have no explanation but believe I can provide the information you requested.

As of today's date there is an amount of \$29,289.24 in the Joseph H. Harris Memorial Endowment Fund. If you wish any information, please do not hesitate to let me know. We are most grateful for the endowment fund and most appreciative of the thoughtful remembrance which made it possible.

Cordially,

Jeanne B. Jensen
Director of Development
